

Wireless Keyboard and Mouse Combo

BBZ010tt

Elevate your productivity and comfort with our wireless keyboard and mouse combo. The full-size keyboard features a number pad and multimedia function keys, while the ergonomically shaped mouse fits your hand's natural resting position with three buttons and a scroll wheel. It's compatible with Windows® and other operating systems with convenient, plug-and-play connectivity using a single USB-A receiver.

Simple to install, you'll be typing and scrolling in seconds.

- Plug and play with a single USB-A receiver: Connect both keyboard and mouse to your computer
- No downloads, *Bluetooth*® or internet needed
- Full-size keyboard with low-profile keys and multimedia functions
- Compact, contoured-shape, ambidextrous mouse
- 2.4GHz wireless connection
- Durable design withstands water spills and accidents
- Batteries included, start using right out of the box
- 2-year warranty

Package Includes

- Wireless keyboard
