Important safety instructions

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Clean only with dry cloth.
- Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Only use attachments/accessories specified by the manufacturer.
- Refer all servicing to qualified service personnel.
- Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- No naked flame sources, such as lighted candles should be placed on the apparatus.
- There is a danger that small parts may be swallowed.
- Store the apparatus in the bag and store in a location out of reach of small children after use.

**English**

Hereby, Bang & Olufsen A/S declares that the radio equipment type Beoplay Eleven is in compliance with Directive 2014/53/EU. The full Declaration of Conformity can be found at the following web site: on.beo.com/declarations

Charge the product regularly to ensure the longest possible lifetime. Deep discharge should be avoided.

Compliance with 2014/53/EU Radio Equipment Directive (RED)

In accordance with Article 10.8(a) and 10.8(b) of the RED, the following table provides information on the frequency bands used and the maximum RF transmit power of the product for sale in the EU:

Frequency range (MHz)	Max. Transmit Power (dBm)
2402-2480 MHz	≤13 dBm
111-205 kHz	42.06 dBuV/m

The product firmware is available for download from the Bang & Olufsen App. The product to be sold in all European Union member and EFTA countries.

Electrical and electronic equipment, parts and batteries marked with this symbol must not be disposed of with normal household waste, it must be collected and disposed of separately to protect the environment. Your Bang & Olufsen retailer will advise you of the correct way of disposal in your country.

Do not expose batteries or battery packs to excessive heat such as sunshine, fire or the like. Make sure to charge the battery so that the battery level is not low a longer period of time (weeks/months). The preferred battery level before storage is about 60-70%. Avoid charging your product too often. In general, rechargeable batteries perform best when kept between 20% and 80% battery charge.

Prolonged listening at high volume levels may cause hearing damage.
Not intended for users under 14 years of age.

Important!

- Make sure that the product is set up, placed and connected in accordance with the instructions.
- Do not place any items on top of your product.
- Do not subject the product to high humidity, rain or sources of heat.
- Do not attempt to open the product. Leave such operations to qualified service personnel.
- The product should be recharged at least every quarter, as the life of the battery can be affected if it is completely discharged.

Dansk

Bang & Olufsen A/S erklærer hermed, at radioudstyret type Beoplay Eleven er i overensstemmelse med direktiv 2014/53/EU. Den fuldstændige overensstemmelseserklæring fremgår af følgende side: on.beo.com/declarations

I overensstemmelse med radioudstyrsdirektivet 2014/53/EU (RED). I overensstemmelse med paragraf 10.8(a) og 10.8(b) tilhørende RED – følgende tabel indeholder oplysninger om de benyttede frekvensområder og den maksimale RF-sendeeffekt for produktet, når det sælges i EU:

Frekvensområde (MHz)	Maks. sendeeffekt (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

Produktets firmware er tilgængeligt til download fra appen Bang & Olufsen. Produktet markedsføres til salg i alle EU-medlemsstater og EFTA-lande.

Elektrisk og elektronisk udstyr, reservedele og batterier, der er mærket med dette symbol, må ikke bortskaffes sammen med almindeligt husholdssaffald. Det skal indsamles og bortskaffes separat for at beskytte miljøet.

Din Bang & Olufsen forhandler kan rådgive dig om den korrekte bortskaffelsesmetode i dit land. Batterierne må ikke udsættes for høj varme, f.eks. solskin eller ild. Sørg for at oplade batteriet, så batteriniveauet ikke er lavt i længere tid (uger/måneder). Det optimale batteriniveau, før et produkt sættes/lægges væk, er ca. 60-70%. Undgå at oplade produktet for ofte. Generelt fungerer genopladelige batterier bedst, når de er opladet mellem 20 og 80%.

Hvis du lytter til høj musik i længere tid, kan det medføre høreskader!
Ikke beregnet til brugere under 14 år.

Vigtigt!

- Sørg for, at produktet sættes op, placeres og tilsluttes i overensstemmelse med instruktionerne.
- Anbring ikke genstande oven på produktet.
- Udsæt ikke produktet for høj luftfugtighed, regn eller varme.
- Forsøg aldrig at åbne produktet. Produktet må kun åbnes af uddannede serviceteknikere.
- Produktet skal genoplades mindst hvert kvartal, da batteriets levetid kan påvirkes, hvis det er helt afladet.

Deutsch

Hiermit erklärt Bang & Olufsen A/S, dass das Radiogerät vom Typ Beoplay Eleven die Richtlinie 2014/53/EU erfüllt. Die vollständige Konformitätserklärung ist auf der folgenden Website erhältlich: on.beo.com/declarations

Erfüllt die Funkgeräterichtlinie 2014/53/EU (RED). In Übereinstimmung mit Artikel 10.8(a) und 10.8(b) der RED bietet die folgende Tabelle Informationen zu den verwendeten Frequenzbändern und zur maximalen Funkfrequenz-Sendeleistung des Produkts, das in der EU vertrieben wird:

Frequenzbereich (MHz)	Max. Sendeleistung (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

Die Produkt-Firmware steht über die Bang & Olufsen App zum Download bereit. Das Produkt wird in allen Mitgliedsstaaten der Europäischen Union und in den EFTA-Staaten vertrieben.

Mit diesem Symbol gekennzeichnete elektrische und elektronische Geräte, Bauteile und Batterien dürfen nicht in den normalen Haushaltsmüll gegeben, sondern müssen zum Schutz der Umwelt sämtlich getrennt eingesammelt und entsorgt werden.

Ihr Bang & Olufsen Fachhändler berät Sie bei der sachgerechten Entsorgung in Ihrem Land.

Setzen Sie die Batterien oder Akkus keiner starken Hitze durch Sonneneinstrahlung, Feuer usw. aus. Achten Sie darauf, den Akku aufzuladen, so dass der Akkuladestand nicht über einen längeren Zeitraum (Wochen/Monate) niedrig ist. Der bevorzugte Akkuladestand vor der Lagerung beträgt etwa 60-70 %. Vermeiden Sie es, Ihr Produkt zu oft aufzuladen. Im Allgemeinen funktionieren wiederaufladbare Batterien am besten, wenn sie zwischen 20 % und 80 % Akkuladung gehalten werden.

Eine längere Benutzung bei hoher Lautstärke kann Gehörschäden verursachen! Nicht für Benutzer unter 14 Jahren geeignet.

Wichtiger Hinweis:

- Achten Sie darauf, dass das Gerät entsprechend diesen Hinweisen platziert, angeschlossen und eingestellt wird.
- Stellen Sie keine Gegenstände auf das Gerät.
- Setzen Sie das Gerät nicht hoher Feuchtigkeit, Regen und Wärmequellen aus.
- Versuchen Sie nicht, das Gerät zu öffnen. Überlassen Sie dies qualifiziertem Servicepersonal.
- Das Gerät sollte mindestens alle 3 Monate aufgeladen werden, da die Batterielebensdauer sinken kann, wenn sie sich vollständig entlädt.

Suomi

Täten Bang & Olufsen A/S ilmoittaa, että radiolaite
tyyppiä Beoplay Eleven on direktiivin 2014/53/EU mukainen.
Vaatimustenmukaisuusvakuutus löytyy kokonaisuudessaan seuraavalta
verkkosivustolta: on.beo.com/declarations

Lataa tuotetta säännöllisesti varmistaaksesi mahdollisimman pitkän käyttöiän.

Akun syväpurkautumista tulee välttää.

2014/53/EU radiolaitedirektiivin (RED) mukaisuus

RED-direktiivin artiklan 10.8(a) ja 10.8(b) mukaisesti seuraava taulukko sisältää
tietoja käytetyistä taajuuksaistoista ja suurimmasta radiolähetystehosta tuotteessa,
joka on myynnissä EU:ssa:

Taajuusalue (MHz)	Suurin lähetysteho (dBm)
2402-2480 MHz	≤13 dBm
111-205 kHz	42.06 dBuV/m

Tuotteen laiteohjelmisto on ladattavissa Bang & Olufsen -sovelluksesta.

Tuote on myytävänä kaikissa Euroopan unionin jäsenmaissa sekä EFTA-maissa.

Sähkö- ja elektroniikkalaitteita, osia ja akkuja, joissa on tämä symboli,
ei saa hävittää normaalin talousjätteen mukana, vaan ne on kerättävä
ja hävitettävä erikseen ympäristön suojelemiseksi. Bang & Olufsen
-jälleenmyyjäsi neuvoo sinua oikeasta hävitystavasta maassasi.

Älä altista akkuja tai akkupaketteja liialliselle kuumuudelle, kuten auringonpaisteelle, tulelle tai vastaavalle. Lataa akku, jottei sen varaustaso ole alhainen pitemmän aikaa (viikkoja/kuukausia). Suositeltu akun varaustaso ennen varastointia on noin 60-70%. Vältä lataamasta tuotetta liian usein. Yleisesti ottaen ladattavat akut toimivat parhaiten, kun niiden varaustaso pidetään 20% ja 80% välillä.

Pitkäaikainen kuuntelu korkeilla äänenvoimakkuustasoilla voi aiheuttaa kuulovaurioita. Ei tarkoitettu alle 14-vuotiaille käyttäjille.

Tärkeää!

- Varmista, että tuote on asennettu, sijoitettu ja yhdistetty ohjeiden mukaisesti.
- Älä aseta mitään esineitä tuotteen päälle.
- Älä altista tuotetta korkealle kosteudelle, sateelle tai lämmönlähteille.
- Älä yritä avata tuotetta. Jätä tällaiset toimenpiteet ammattitaitoisen huoltohenkilöstön tehtäväksi.
- Tuote tulisi ladata vähintään kolmen kuukauden välein, sillä täysin purkautuminen voi vaikuttaa akun käyttöikään.

Français

Par la présente, Bang & Olufsen A/S déclare que l'équipement radio de type Beoplay Eleven est conforme à la directive 2014/53/EU. La Déclaration de Conformité complète se trouve sur le site Web suivant: on.beo.com/declarations

Conformité à la directive sur les équipements radio 2014/53/EU (RED).

Conformément à l'article 10.8(a) et 10.8(b) de RED, le tableau suivant fournit des informations sur les bandes de fréquences utilisées et la puissance de transmission RF maximale du produit à vendre dans l'UE :

Gamme de fréquences (MHz)	Puissance de transmission max. (dBm)
2402-2480 MHz	≤13 dBm
111-205 kHz	42.06 dBuV/m

Le firmware du produit est disponible pour téléchargement à partir de Bang & Olufsen App. Le produit à vendre dans tous les pays membres de l'Union européenne et de l'AELE.

Il n'est pas permis de jeter les équipements, les pièces électriques et électroniques et les ménagères ; ces équipements doivent être collectés et mis au rebut séparément afin de préserver l'environnement. Votre revendeur Bang & Olufsen se fera un plaisir de vous conseiller sur la procédure correcte de mise au rebut dans votre pays.

N'exposez pas les batteries à une source de chaleur excessive (soleil, feu ou autre). Pensez à protéger votre produit Bang & Olufsen de la lumière directe du soleil pour éviter la surchauffe de la batterie pendant l'utilisation et le stockage du produit. Veuillez recharger la batterie de sorte que le niveau ne reste pas faible pendant une période prolongée (plusieurs semaines/mois). Le niveau de batterie recommandé avant stockage se situe autour de 60-70 %.

Une écoute prolongée à fort volume peut entraîner des pertes d'audition.
Non destiné aux utilisateurs de moins de 14 ans.

Important!

- Vérifier que l'appareil est installé, positionné et connecté conformément aux instructions.
- Ne poser aucun objet sur l'appareil.
- Ne pas exposer l'appareil à un taux d'humidité élevé, à la pluie ou à une source de chaleur.
- Ne pas tenter d'ouvrir le boîtier de l'appareil. Les opérations de ce type doivent être confiées à du personnel de maintenance qualifié.
- Le produit doit être rechargé au moins tous les trimestres, car la durée de vie de la batterie peut être affectée si elle est complètement déchargée.

Español

Por la presente, Bang & Olufsen A/S declara que el tipo de equipo de radio Beoplay Eleven cumple la directiva 2014/53/EU. Se puede consultar la declaración de conformidad completa en el sitio web siguiente: on.beo.com/declarations

Conformidad con la directiva 2014/53/EU sobre la comercialización de equipos radioeléctricos (RED) Conforme a los artículos 10.8(a) y 10.8(b) de la RED, la tabla siguiente proporciona información sobre las bandas de frecuencias utilizadas y la potencia de RF transmitida máxima del producto a la venta en la UE.

Intervalo de frecuencias (MHz)	Potencia transmitida máxima (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

El firmware del producto está disponible para descargar desde la Bang & Olufsen App. El producto a la venta en todos los países miembros de la Unión Europea y de la EFTA.

Los equipos, piezas y baterías de tipo eléctrico y electrónico marcados con este símbolo no deben eliminarse junto con los residuos domésticos habituales; en su lugar, deben ser recogidos y eliminados de forma independiente para proteger el medioambiente. Su distribuidor de Bang & Olufsen le asesorará acerca de los pasos a seguir en su país para realizar la eliminación de forma correcta.

No exponga las pilas o baterías a una temperatura excesiva, como la generada por la luz solar, el fuego u otros elementos similares. Asegúrese de cargar la batería para que el nivel no se mantenga bajo durante un período de tiempo prolongado (semanas/meses). Es preferible que el nivel de batería antes del almacenamiento sea de alrededor del 60-70 %. Evite cargar el equipo con demasiada frecuencia. En general, las baterías recargables funcionan mejor cuando se mantienen entre el 20 % y el 80 % de la carga de la batería.

La escucha prolongada de sonidos a un nivel de volumen elevado podría provocar lesiones auditivas. No destinado a usuarios menores de 14 años.

Importante

- Asegúrese de que el equipo permanezca instalado, situado y conectado de acuerdo con las instrucciones.
- No coloque ningún objeto sobre el equipo.
- No someta el equipo a niveles elevados de humedad, a la lluvia o a fuentes de calor.
- No intente abrir el equipo. Este tipo de operaciones debe ser realizado por personal técnico cualificado.
- El producto debería recargarse al menos cada tres meses, ya que la duración de la batería podría verse afectada si se descarga por completo.

Italiano

Con la presente Bang & Olufsen A/S dichiara che l'apparecchiatura radio di tipo Beoplay H100 è conforme alla Direttiva 2014/53/UE. Il testo completo della Dichiarazione di conformità è reperibile al seguente sito web: on.beo.com/declarations

Conformità con la Direttiva 2014/53/UE (RED). Ai sensi degli articoli 10.8(a) e 10.8(b) della Direttiva RED, la seguente tabella fornisce informazioni sulle bande di frequenza utilizzate e sulla potenza massima di trasmissione in radiofrequenza dei prodotti in vendita nell'UE:

Gamma di frequenza (MHz)	Potenza massima di trasmissione (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

Il firmware del prodotto è scaricabile dall'app Bang & Olufsen. Il presente prodotto viene venduto in tutti i Paesi membri dell'Unione Europea e AELE.

Apparecchiature elettriche ed elettroniche, parti e batterie, contrassegnate con questo simbolo non devono essere smaltite con i normali rifiuti domestici, ma devono essere raccolte e smaltite separatamente per proteggere l'ambiente. Per informazioni sulla procedura di smaltimento corretta per il proprio Paese, rivolgersi a un rivenditore Bang & Olufsen.

Non esporre le batterie o i gruppi batteria a calore eccessivo come la luce del sole, fiamme o simili. Assicurati di caricare la batteria in modo che il livello della batteria non sia basso per un periodo di tempo prolungato (settimane/mesi). Il livello di batteria preferito prima dell'archiviazione è di circa il 60-70%. Evita di caricare il tuo prodotto troppo spesso. In generale, le batterie ricaricabili hanno prestazioni migliori quando mantenute tra il 20% e l'80% di carica della batteria.

L'ascolto prolungato a volumi elevati può causare danni all'udito.
Non destinato a utenti di età inferiore ai 14 anni.

Importante!

- Verificare che il prodotto sia stato installato, posizionato e collegato in conformità con le istruzioni fornite.
- Non posare oggetti sopra il prodotto.
- Non esporre il prodotto a valori elevati di umidità, a pioggia o a fonti di calore.
- Non tentare di aprire il prodotto. Queste operazioni sono esclusivamente di competenza del personale tecnico qualificato.
- Il prodotto deve essere ricaricato almeno con cadenza trimestrale, dato che la durata di vita della batteria potrebbe risentirne se si scarica completamente.

Português

Pelo presente, a Bang & Olufsen A/S declara que o tipo equipamento de rádio Beoplay Eleven está em conformidade com a Diretiva 2014/53/UE. A Declaração de Conformidade total pode ser encontrada no site Web seguinte: on.beo.com/declarations

Em conformidade com 2014/53/UE, Diretiva relativa aos equipamentos de rádio (RED). De acordo com o Artigo 10.8(a) e 10.8(b) da RED, a tabela seguinte fornece informações sobre bandas de frequência utilizadas e a potência de transmissão RF máxima do produto para venda na UE:

Intervalo de frequência (MHz)	Potência máx. de transmissão (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

O firmware do produto está disponível para transferir a partir da Bang & Olufsen App. O produto vai ser vendido em todos os membros da União Europeia e países EFTA.

Equipamentos elétricos e eletrônicos, peças e pilhas/baterias assinalados com este símbolo não devem ser eliminados juntamente com resíduos domésticos normais, mas sim recolhidos e eliminados separadamente para proteger o meio ambiente. O revendedor da Bang & Olufsen dar-lhe-á informações sobre a forma correta de eliminar esses resíduos no seu país.

Não exponha pilhas ou baterias a calor excessivo, como luz solar, fogo ou situações semelhantes. Certifique-se de carregar a bateria para que o nível da bateria não fique baixo por um longo período de tempo (semanas/meses). O nível de bateria preferido antes do armazenamento é de aproximadamente 60-70%. Evite carregar o seu produto com muita frequência. Em geral, as baterias recarregáveis têm melhor desempenho quando mantidas entre 20% e 80% de carga da bateria.

A audição prolongada com níveis de volume elevados poderá causar lesões auditivas. Não destinado a usuários com menos de 14 anos.

Importante!

- Certifique-se de que o produto seja instalado, posicionado e ligado em conformidade com as instruções.
- Não coloque quaisquer objetos sobre o produto.
- Não sujeite o produto a humidade elevada, chuva ou fontes de calor.
- Não tente abrir o produto. Essas operações devem ser efetuadas por pessoal de assistência técnica qualificado.
- O produto deve ser recarregado, pelo menos, de três em três meses, porque se estiver totalmente descarregada, a vida útil da bateria pode ser afetada.

Svenska

Härmed intygar Bang & Olufsen A/S att radioutrustningstypen Beoplay Eleven överensstämmer med direktiv 2014/53/EU. Den fullständiga försäkran om överensstämmelse finns på följande webbplats: on.beo.com/declarations

Ladda produkten regelbundet för att säkerställa den längsta möjliga livslängden. Fullständig urladdning bör undvikas. Överensstämmelse med 2014/53/EU Radioutrustningsdirektivet (RED) I enlighet med artikel 10.8(a) och 10.8(b) i RED, ger följande tabell, information om de frekvensband som används och den maximala RF-sändningseffekten för produkten som säljs i EU:

Frekvensområde (MHz)	Maks. sändningseffekt (dBm)
2402-2480 MHz	≤13 dBm
111-205 kHz	42.06 dBuV/m

Produktens firmware finns tillgänglig för nedladdning via Bang & Olufsen-appen. Produkten kommer att säljas i alla EU-medlemsländer och EFTA-länder.

Elektrisk och elektronisk utrustning, delar och batterier märkta med denna symbol får inte slängas med i vanligt hushållsavfall, utan måste samlas in och föras bort separat för att värna miljön. Din Bang & Olufsen-återförsäljare kommer att ge dig råd om rätt sätt att kassera den i ditt land.

Utsätt inte batterier eller batteripaket för överdriven värme som solsken, eld eller liknande. Se till att ladda batteriet så att batterinivån inte är låg under en längre period veckor/månader). Den optimala batterinivån före förvaring är cirka 60-70%. Undvik att ladda din produkt för ofta. Generellt presterar uppladdningsbara batterier bäst när de hålls mellan 20% och 80% batteriladdning.

Långvarigt lyssnande på höga volymnivåer kan orsaka hörselskador.
Inte avsedd för användare under 14 år.

Viktigt!

- Se till att produkten är installerad, placerad och ansluten enligt instruktionerna.
- Placera inga föremål ovanpå produkten.
- Utsätt inte produkten för hög luftfuktighet, regn eller värmekällor.
- Försök inte att öppna produkten. Lämna det till kvalificerad servicepersonal.
- Produkten bör laddas minst en gång i kvartalet, eftersom batteriets livslängd kan påverkas om det är helt urladdat.

Norwegian Herved erklærer Bang & Olufsen A/S at radioutstyrstypen Beoplay Eleven er i samsvar med direktiv 2014/53/EU. Den fullstendige samsvarserklæringen finnes på følgende nettsted: on.beo.com/declarations

Lad produktet regelmessig for å sikre lengst mulig levetid. Dyp utladning bør unngås. Overholdelse av 2014/53/EU Radioutstyrsdirektivet (RED) i samsvar med artikkel 10.8(a) og 10.8(b) i RED, gir følgende tabellinformasjon om de brukte frekvensbåndene og maksimal RF-sendereffekt for produktet som selges i EU:

Frekvensområde (MHz)	Maks. sendereffekt (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

Produktets firmware er tilgjengelig for nedlasting fra Bang & Olufsen-appen. Produktet vil bli solgt i alle EU-medlemsland og EFTA-land.

Elektrisk og elektronisk utstyr, deler og batterier merket med dette symbolet må ikke kastes med vanlig husholdningsavfall, men må samles inn og avhendes separat for å beskytte miljøet. Din Bang & Olufsen-forhandler vil gi deg råd om riktig avhending i ditt land.

Ikke utsett batterier eller batteripakker for overdreven varme som solskinn, ild eller lignende. Sørg for å lade batteriet slik at batterinivået ikke er lavt over en lengre periode (uker/måneder). Det foretrukne batterinivået før lagring er omtrent 60-70%. Unngå å lade produktet ditt for ofte. Generelt fungerer oppladbare batterier best når de holdes mellom 20% og 80% batteriladning.

Langvarig lytting på høye volumnivåer kan forårsake hørselsskader. Ikke beregnet for brukere under 14 år.

Viktig!

- Sørg for at produktet er satt opp, plassert og koblet til i henhold til instruksjonene.
- Plasser ingen gjenstander oppå produktet.
- Utsett ikke produktet for høy luftfuktighet, regn eller varmekilder.
- Forsøk ikke å åpne produktet. Overlat slike operasjoner til kvalifisert servicepersonell.
- Produktet bør lades opp minst hver tredje måned, da batteriets levetid kan påvirkes hvis det er helt utladet.

Polish

Niniejszym Bang & Olufsen A/S oświadcza, że typ urządzenia radiowego Beoplay Eleven jest zgodny z dyrektywą 2014/53/UE. Pełną Deklarację Zgodności można znaleźć na następującej stronie internetowej: on.beo.com/declarations

Regularnie ładuj produkt, aby zapewnić jak najdłuższą żywotność. Należy unikać głębokiego rozładowania. Zgodność z Dyrektywą w sprawie urządzeń radiowych 2014/53/UE (RED) Zgodnie z artykułem 10.8(a) i 10.8(b) RED, poniższa tabela zawiera informacje na temat używanych pasm częstotliwości oraz maksymalnej mocy transmisji RF produktu przeznaczonego do sprzedaży w UE:

Zakres częstotliwości (MHz)	Maks. moc nadawania (dBm)
2402-2480 MHz	≤13 dBm
111-205 kHz	42.06 dBuV/m

Oprogramowanie sprzętowe produktu jest dostępne do pobrania z aplikacji Bang & Olufsen. Produkt będzie sprzedawany we wszystkich krajach członkowskich Unii Europejskiej i EFTA.

Sprzęt elektryczny i elektroniczny, części i baterie oznaczone tym symbolem nie mogą być wyrzucane razem z normalnymi odpadami domowymi, muszą być zbierane i utylizowane osobno w celu ochrony środowiska. Twój sprzedawca Bang & Olufsen poinformuje Cię o właściwym sposobie utylizacji w Twoim kraju.

Nie narażaj baterii ani akumulatorów na nadmierne ciepło, takie jak światło słoneczne, ogień lub podobne. Upewnij się, że ładujesz baterię, aby poziom baterii nie był niski przez dłuższy okres czasu (tygodnie/miesiące). Preferowany poziom naładowania baterii przed przechowywaniem wynosi około 60-70%. Unikaj zbyt częstego ładowania produktu. Ogólnie rzecz biorąc, akumulatory najlepiej działają, gdy są utrzymywane na poziomie od 20% do 80%.

Długotrwałe słuchanie na wysokich poziomach głośności może powodować uszkodzenie słuchu. Nie przeznaczone dla użytkowników poniżej 14 roku życia.

Ważne!

- Upewnij się, że produkt jest ustawiony, umieszczony i podłączony zgodnie z instrukcjami.
- Nie umieszczaj żadnych przedmiotów na produkcie.
- Nie narażaj produktu na wysoką wilgotność, deszcz ani źródła ciepła.
- Nie próbuj otwierać produktu. Pozostaw takie czynności wykwalifikowanemu personelowi serwisowemu.
- Produkt powinien być ładowany co najmniej raz na kwartał, ponieważ żywotność baterii może być zmniejszona, jeśli zostanie całkowicie rozładowana.

Nederlands Hierbij verklaart Bang & Olufsen A/S dat het type radioapparatuur Beoplay Eleven voldoet aan Richtlijn 2014/53/EU. De volledige conformiteitsverklaring is te vinden op de volgende website: on.beo.com/declarations

Laad het product regelmatig op om de langst mogelijke levensduur te garanderen. Diepontlading moet worden vermeden. Naleving van 2014/53/EU Richtlijn Radioapparatuur (RED) In overeenstemming met Artikel 10.8(a) en 10.8(b) van de RED, geeft de volgende tabel informatie over de gebruikte frequentiebanden en het maximale RF-uitgangsvermogen van het product voor verkoop in de EU:

Frequentiebereik (MHz)	Maks. zendvermogen (dBm)
2402-2480 MHz	≤ 13 dBm
111-205 kHz	42.06 dBuV/m

De firmware van het product is beschikbaar voor download via de Bang & Olufsen-app. Het product zal worden verkocht in alle lidstaten van de Europese Unie en EFTA-landen.

Elektrische en elektronische apparatuur, onderdelen en batterijen gemarkeerd met dit symbool mogen niet met het normale huishoudelijke afval worden weggegooid, ze moeten apart worden ingezameld en afgevoerd om het milieu te beschermen. Uw Bang & Olufsen-retailer zal u adviseren over de juiste manier van afvoer in uw land.

Stel batterijen of accupacks niet bloot aan overmatige hitte zoals zonneshijn, vuur of dergelijke. Zorg ervoor dat u de batterij oplaadt zodat het batterijniveau niet langdurig laag is (weken/maanden). Het voorkeursbatterijniveau voor opslag is ongeveer 60-70%. Vermijd te vaak opladen van uw product. In het algemeen presteren oplaadbare batterijen het beste wanneer ze tussen 20% en 80% batterijcapaciteit worden gehouden.

Langdurig luisteren naar hoge volumeniveaus kan gehoorbeschadiging veroorzaken. Niet bedoeld voor gebruikers jonger dan 14 jaar.

Belangrijk!

- Zorg ervoor dat het product is ingesteld, geplaatst en aangesloten volgens de instructies.
- Plaats geen voorwerpen bovenop uw product.
- Stel het product niet bloot aan hoge vochtigheid, regen of warmtebronnen.
- Probeer het product niet te openen. Laat dergelijke handelingen over aan gekwalificeerd servicepersoneel.
- Het product moet minstens elk kwartaal worden opgeladen, omdat de levensduur van de batterij kan worden beïnvloed als deze volledig wordt ontladen.

Български [Bulgarian]: Това оборудване отговаря на съществените изисквания и

приложими клаузи на Директива 2014/53/ЕС.

Česky [Czech]: Toto zařízení je v souladu se základními požadavky a ostatními odpovídajícími ustanoveními Směrnice 2014/53/EU.

Eesti [Estonian]: See seade vastab Direktiivi 2014/53/EL oluliste nõuetele ja teistele asjakohastele sätetele.

Ελληνική [Greek]: Αυτός ο εξοπλισμός είναι σε συμμόρφωση με τις ουσιαστικές απαιτήσεις και άλλες σχετικές διατάξεις της Οδηγίας 2014/53/ΕΕ.

INDUSTRY CANADA STATEMENT

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence exempt RSS(s).

Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

CAN ICES-003(B) / NMB-003(B)

Radiation Exposure Statement:

The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to low output power if such function is available.

Déclaration d'exposition aux radiations:

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les États-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux

expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Product serial number can be found on the charging case and regulatory markings on the product and packaging.

Operating Temperature [°C] 0 to 40.

UK

Frequency range (MHz)	Max. Transmit Power (dBm)
2402-2480 MHz	≤13 dBm

FCC Compliance Statement (e.g., products subject to Part 15)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE

FCC Radiation Exposure Statement

The product comply with the US portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available. This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

US

Federal Communication Commission Interference Statement

This general equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

- Requires pairing with eligible phone and Internet connection.
- Requires Internet connection.
- Sequences shortened and simulated.

These earbuds are classified as a CLASS 1 LASER PRODUCT according to EN50689:2021 and IEC 60825-1:2014.

Complies with FDA performance standards for laser products except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019.

Caution – Connect the device to a power socket with an earth conductor. Defective earth conductor connections do not comply with the requirements for safety and electromagnetic compatibility. Check the power socket before connecting the hardware appliance.

Attention – Raccordez l'appareil à une prise de courant avec un conducteur de terre. Les connexions défectueuses du conducteur de terre ne sont pas conformes aux exigences de sécurité et de compatibilité électromagnétique. Vérifiez la prise de courant avant de brancher l'appareil.

Caution – Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

Attention – L'utilisation des commandes ou réglages ou l'exécution des procédures autres que celles spécifiées dans les présentes exigences peuvent être la cause d'une exposition à un rayonnement dangereux.

For US

Important safety instructions

 WARNING	
• INGESTION HAZARD: This product contains a button cell or coin battery. • DEATH or serious injury can occur if ingested. • A swallowed button cell or coin battery can cause Internal Chemical Burns in as little as 2 hours. • KEEP new and used batteries OUT OF REACH of CHILDREN. • Seek immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.	

- a) Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate.
- b) Even used batteries may cause severe injury or death.
- c) Call a local poison control center for treatment information.
- d) Non-rechargeable batteries are not to be recharged.
- e) Do not force discharge, recharge, disassemble, heat above (manufacturer's specified temperature rating) or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.

The product contains non-replaceable batteries. Battery type: ZJ1254H
Nominal voltage: 3.85Vdc

General Conditions

Genuine Bang & Olufsen products ("Bang & Olufsen Products") are covered by this limited warranty (the "Warranty"). The terms of this Warranty apply to Bang & Olufsen Products purchased in or after November 2019. To claim any rights under this Warranty, the original invoice received at the time of purchase of the Bang & Olufsen Product must be presented to Bang & Olufsen. This Warranty covers all defects (relevant to the specification of the Bang & Olufsen Product in question) that may arise in the Bang & Olufsen Product within the warranty period. The warranty period commences upon the date of purchase by the first consumer purchaser and continues for the following 36 months after that date (the "Warranty Period"). If a defect covered by the Warranty arises within the Warranty Period and your Bang & Olufsen Product is applicable for online return, please make your claim at:

<https://www.bang-olufsen.com/support>

If the online return tool is not available in your country or if the Bang & Olufsen Product is not applicable for the tool, please contact the legal entity stated on the original invoice for the Bang & Olufsen Product.

Coverage

Bang & Olufsen warrants that the Bang & Olufsen Product is free from defects in material and workmanship under normal use and service for the Warranty Period. Bang & Olufsen Products are products of superior design and craftsmanship and should be treated with care. Procedures and suggestions on proper use and maintenance of Bang & Olufsen Products and its internal components should always be followed. Thus, this Warranty is conditioned upon proper use of the Bang & Olufsen Product within the Warranty Period. The Warranty does not cover:

- Defects which have been caused by wrongful use, incorrect and/or unauthorized installation, incorrect repairs/modifications, or maladjustment of the Bang & Olufsen Product, or neglect, including but not limited to "burn in" of plasma or

OLED displays, over driving of speakers and similar wrongful use;

- Defects resulting from usage of the Bang & Olufsen Product in conjunction with accessories that are not approved by Bang & Olufsen;
- Defects which have been caused by lightning, fire, water, voltage fluctuations, improper ventilation or other events of force majeure beyond the control of Bang & Olufsen;
- Consequential damage, indirect or direct loss or any related expenses claimed under the Warranty, such as but not limited to loss from inability to operate the Bang & Olufsen Product or costs connected with rent of substitution products;
- Software and content provided by third parties or problems occurring due to modifications made by the software provider;
- Field assistance for problems that can be solved with online software updates. It is the customer's responsibility to provide network connection for these updates;
- Problems occurring with network/wireless connection caused by external effects present locally only and not impacting functionality in other locations not experiencing such external effects. To obtain information about the functionality of specific purposes, please contact Bang & Olufsen;
- Defects in consumables (i.e. components that are expected to require regular replacement such as but not limited to batteries) as well as defects caused by overcharging;
- Unreasonable costs or expenses related to modifications or demolitions of the

space in which the Bang & Olufsen Product is placed during the process of repair; and/or costs for cleaning the screen due to external influences.

- Defects claimed under the Warranty are rectified at Bang & Olufsen's discretion within the rules of the marketing and consumer law. Rectification is ensured by way of (i) repairing the defective Bang & Olufsen Product, (ii) inserting re-manufactured parts into the Bang & Olufsen Product, and/or (iii) replacing the Bang & Olufsen Product with a new product equivalent in performance and reliability to the Bang & Olufsen Product. Replacement of limited or special edition Bang & Olufsen Products depends on the availability of the Bang & Olufsen Products in question. Where the Bang & Olufsen Product cannot be repaired (damage is considered as total loss) and where exchange is not feasible, compensation is offered on a pro-rata basis of the purchase price.

All exchange modules become property of Bang & Olufsen.

Exclusions and limitations

Bang & Olufsen is not liable for the damage or loss of any programs, data and/or media content during the repair process. Bang & Olufsen strongly recommends customers to ensure that, if possible, all data is backed up prior to requesting repair services from Bang & Olufsen. The Warranty will not operate if the serial number has been defaced or altered or if non-authorized modifications in the software have been made. In countries with governmental requirements on specifically developed versions of Bang & Olufsen products, e.g. due to varying transmission systems and approval demands, and the defect or malfunction is caused by the usage of other versions than required in the specific country, this Warranty does not apply. To obtain information about usage of the Bang & Olufsen Product in several countries, please contact the legal entity stated on the original invoice for the Bang & Olufsen Product.

All implied warranties, including without limitation, implied warranties of

merchantability and fitness for a particular purpose, are limited to the duration of this Warranty. In no event shall Bang & Olufsen be liable for damages in excess of the purchase price of the Bang & Olufsen Product or for, without limitation, commercial loss of any sort; loss of use, time, data, reputation, opportunity, goodwill, profits or savings; inconvenience; incidental, special, consequential or punitive damages; or damages arising from the use or inability to use the Bang & Olufsen Product.

Bang & Olufsen makes no warranties or representations, express or implied, statutory or otherwise, as to the quality, capabilities, operations, performance or suitability of any third-party software or equipment used in conjunction with the Bang & Olufsen Product, or the ability to integrate any such software or equipment with the Bang & Olufsen Product, whether such third-party software or equipment is included with the Bang & Olufsen Product distributed by Bang & Olufsen or otherwise. Responsibility for the quality, capabilities, operations, performance and suitability of any such third-party software or equipment rests solely with the user and the direct vendor, owner or supplier of such third-party software or equipment. Nothing contained in the user manual or any other document shall be construed to create an express warranty of any kind with respect to the Bang & Olufsen Product. No agent, employee, dealer, representative or reseller is authorized to modify or extend this Warranty or to make binding representations or claims, whether in advertising, presentations or otherwise, on behalf of Bang & Olufsen regarding the Bang & Olufsen Products or this Warranty.

Severability

If any portion of this Warranty is held to be illegal or unenforceable, such partial illegality or unenforceability shall not affect the enforceability of the remainder of the Warranty.

Consumer's legal rights

This Warranty is provided in addition to the rights and remedies granted by the seller of the Bang & Olufsen Product or granted under applicable legislation. Any and all remedies (e.g. rectification, claim for damages, and/or right to terminate the contract) granted by the seller of the Bang & Olufsen Product or available by law remain unaffected by this Warranty.

For the Australian market only:

Bang & Olufsen Products are subject to the guarantees provided under the Australian Consumer Law. You are entitled to a replacement or refund for a 'major problem' and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Bang & Olufsen Product repaired or replaced if the Bang & Olufsen Product fails to be of acceptable quality and the problem does not amount to a 'major problem'.

For the US market only:

Some states do not allow the exclusion or limitation of incidental or consequential damages. Thus, the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For the People's Republic of China market only:

The Warranty only applies to Bang & Olufsen Products imported by Bang & Olufsen Enterprise Management (Shanghai) Co. Ltd. and purchased from Authorised Resellers selling from physical stores located or authorized online stores hosted in the People's Republic of China or legally imported in connection with an end-user's properly documented relocation to the People's Republic of China. Bang & Olufsen Products purchased in Hong Kong, Macau or Taiwan or elsewhere

outside the People's Republic of China are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase.

For Hong Kong and Macau markets only:

The Warranty only applies to Bang & Olufsen Products imported by Bang & Olufsen Limited and purchased from authorized physical stores located or authorized online stores hosted in Hong Kong or Macau, or legally imported in connection with an end-user's properly documented relocation to Hong Kong or Macau. Bang & Olufsen Products purchased outside Hong Kong or Macau are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase.
