Compatibility	Thread 510
Battery capacity	1100 mAh
Charging	USB charger
Preheating function	Yes
Colour	Black

PACKAGING CONTENT: Vape Pen comes with a USB charging adapter for 510 thread with overcharge protection.

INSTRUCTIONS FOR USE

Commissioning of the equipment:

- 5x quick press to turn the device on/off.
- 3x quick press - change of tension. Selectable between 3.3V (green LED), 3.7V (blue LED) or 4.0V (red LED) depending on the extract/liquid selected and maximizing the enjoyment of vaporization.
- 2x quick press - transition to preheat mode, the indicator light will change colours gradually until preheating is complete, then the device is ready for vaporization.
- Simultaneously with inhalation, hold the preheat button with a long press and enjoy your extract/liquid.

CHARGING THE BATTERY

Screw the USB-charger onto the battery head and plug the USB connector into the active port or AC adapter. The red LED on the charger will light up and the button on the battery will flash red 3 times at the same time. When fully charged, the indicator light on the button will flash 20 times and the LED on the charger will turn green. When disconnected from the USB port, the button on the battery flashes 3 times again. When charging via USB, use a port with sufficient power (max. 1A), charge the battery until fully charged (this will extend its life). If the device overheats, wait for it to return to normal temperature before using.

PROTECTIONS

1. Short circuit protection.
2. Overheating protection.
3. Overcharge protection.
4. Over-discharge protection.

SAFETY NOTICE

- Do not leave the device unattended while charging.
- Protect from water or flammable gas or liquid.
- Do not expose the device to direct sunlight, dust, moisture or mechanical shock.
- Do not expose the device to extreme temperatures.
- Battery recycling: the battery should not be considered household waste but should be taken to the appropriate collection point for recycling.

NOTICE TO USERS

- Not intended for persons under 18 years of age.
- Keep out of reach of children and animals.
- Read the instructions carefully before use.
