

Double DishDrawer™ Dishwasher, Sanitise

Series 9 | Contemporary

Black Glass

- Wash one drawer while you load the other, with room in each drawer for full-size dinner plates.
- Designed to be installed under your benchtop, with recessed handles for a seamless look
 - Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry modifiers
 - Flexible racking allows you to customise internal shelves to suit your needs
 - Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height	820 - 880mm
Width	599mm
Depth	573mm

FEATURES & BENEFITS

- Considered Design**
Designed to match our Contemporary style black glass family of products, this built-under dishwasher has a tactile matte black glass finish that pairs perfectly with recessed handles.
- Seamless fit**
Our built-under DishDrawer™ Dishwashers are installed flush under your benchtop with the option of a custom kickstrip, ensuring minimal gaps.

- Ease Of Use**
DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.
- Quick, Sanitise And Extra Dry Options**
The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection, killing 99.9% of bacteria* in the final rinse. The Extra Dry setting is perfect for plastic dishes.
- Knock To Pause**
For ease-of-use, these DishDrawer™ Dishwashers have a knock to pause function. A knock on the front panel will pause the dishwasher, which can be restarted by using the start button.
- True Half Load**
Each drawer holds a true half load for small, fast washing that won't waste water. Both drawers operate independently so two wash cycles can operate simultaneously to allow for varying loads.
- Quiet performer**
Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

SPECIFICATIONS

Accessories	
Cutlery basket	•
Kickstrip	•
Knife clip and multipurpose	•
Capacity and loading	
Accommodates round plates	280mm

Adjustable height, foldable	•

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
