Nutri Caps.

Fertiliser capsules for BioArt soil, provides nutrition directly to the roots of the plants.

Long-working fertiliser capsules, the unique osmocote granules slowly release for 6 months all the nutrients and trace elements needed for healthy growth of your BioArt plants.

BIOART NUTRI CAPS 10X
A4056265

8715897359637

Package contains 10 capsules. Usage: Once every 6 months, insert 1-3 capsules into the soil depending on the size of your BioArt and plant density.

S.R.P. **€9,29**

New.

Plant Spray.

Plant spray for moistening plants in the BioArt, for optimal growth, the herbaceous mint helps with preventing pests in the plants.

Prepared with rainwater, this has a positive effect on plants and prevents unsightly deposits as with tap water.

The addition of herbal mint helps prevent pests on your plants in humid environments.

BIOART PLANT SPRAY 500ML
A4056260

8715897359620

Contents 500 ml. Use: Spray approximately 5 pumps per 10 x 10 cm at a time, not intended as plant nutrition for the soil, use BioArt NutriCaps for that.

S.R.P. **€11,49**
