Made in China

Subdivision diagram:

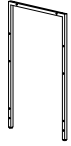

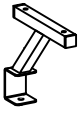

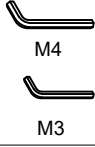

Please read the following instructions carefully:

1. Some parts of the computer desk have sharp edges, so please be attentive to avoid scratches when installing;
2. Due to the small size of the hardware, please put them in a safe position when installing them to avoid accidental;
3. In order to avoid giving you a bad installation experience, please follow the steps in the instruction manual to install and carefully distinguish screws and steel strips. If you have a helper, the installation will be certainly easier.
4. Allstand offers customers a free lifetime warranty. If you need help regarding product issues, after-sales service or other relevant problems, please contact us via the email provided on the cover.

(Do not fully tighten screws until the end of step 19.)

STOP! SEE BELOW BEFORE PROCEEDING

option 1: Please continue to step 11, 12 & 19.

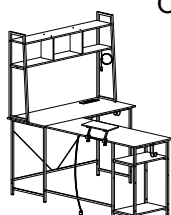

option 2: Please continue to step 13, 14 & 19.

option 3: Please continue to step 15, 16 & 19.

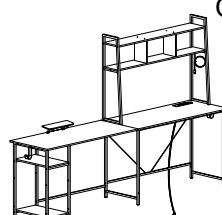

option 4: Please continue to step 17, 18 & 19.

Option 1

Option 2

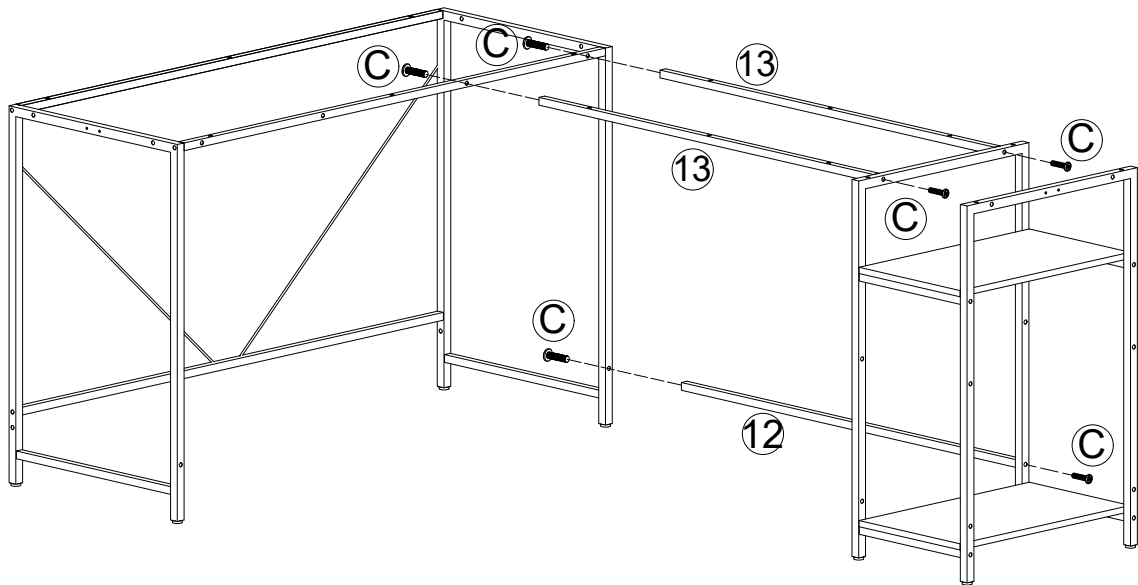

Option 3

Option 4

Step 11 Option 1 assembly

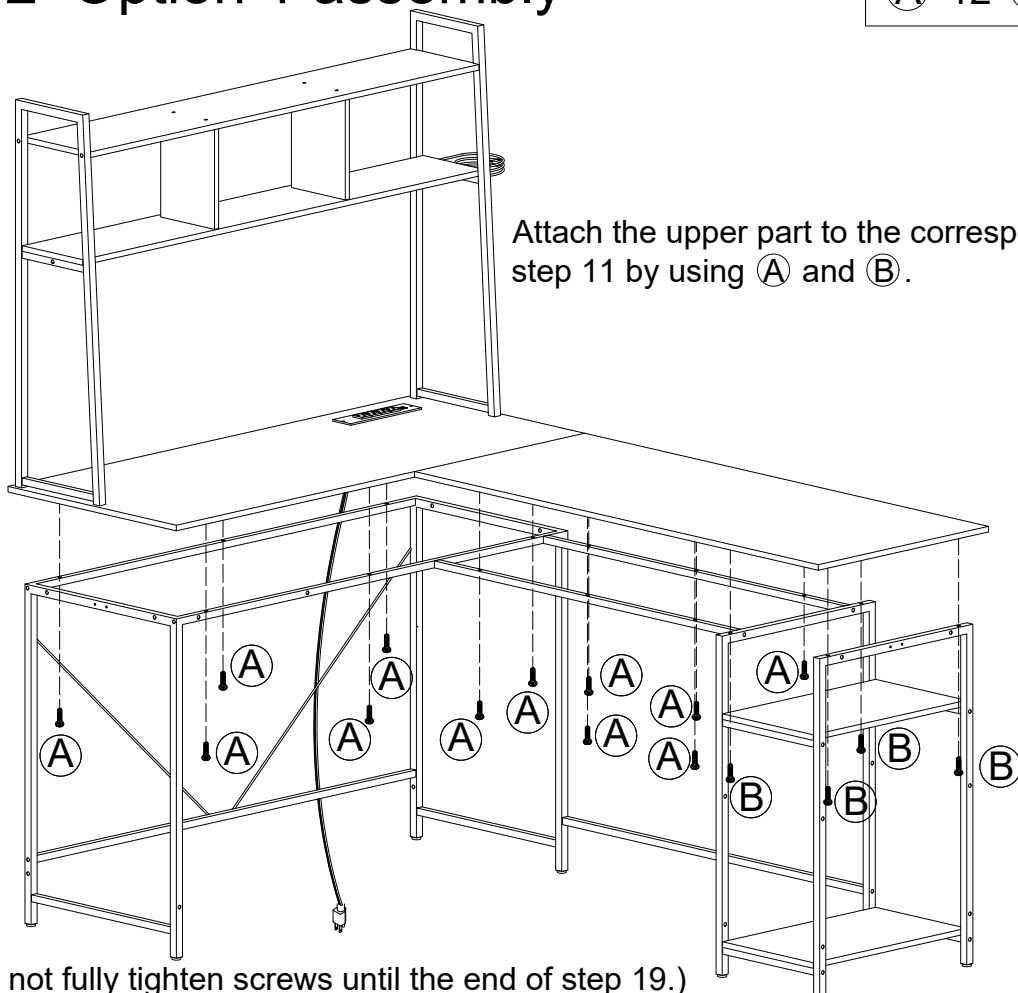

⑫*1 ⑬*2 ④*6 ⑤*1

According to the directions of the components in the picture,
connect two parts to ⑬ from the left and right sides with ④.
(Do not fully tighten screws until the end of step 19.)

Step 12 Option 1 assembly

①*12 ②*4 ⑤*1

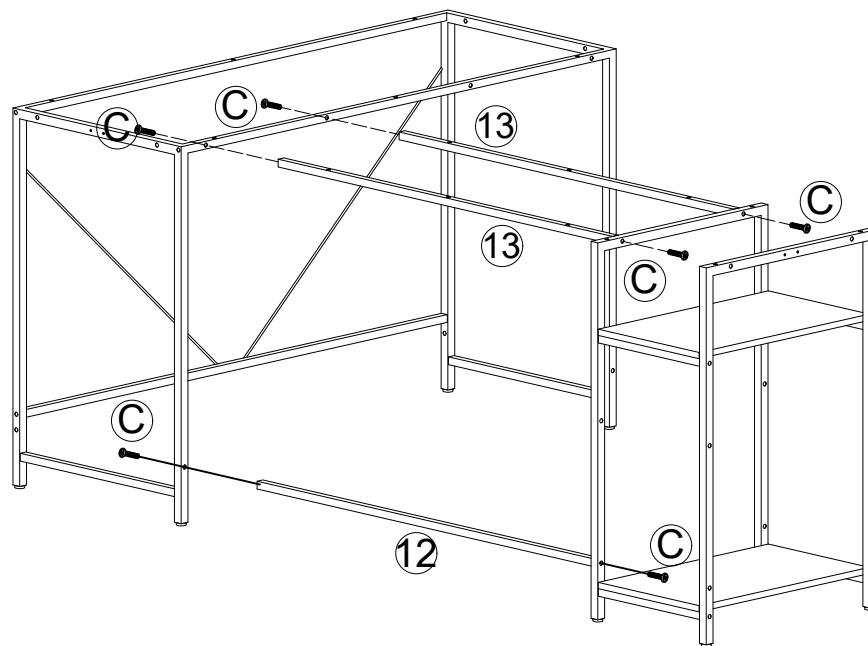

Attach the upper part to the corresponding holes of
step 11 by using ① and ②.

(Do not fully tighten screws until the end of step 19.)

Step 13 Option 2 assembly

⑫*1 ⑬*2 ④*6 ⑦*1

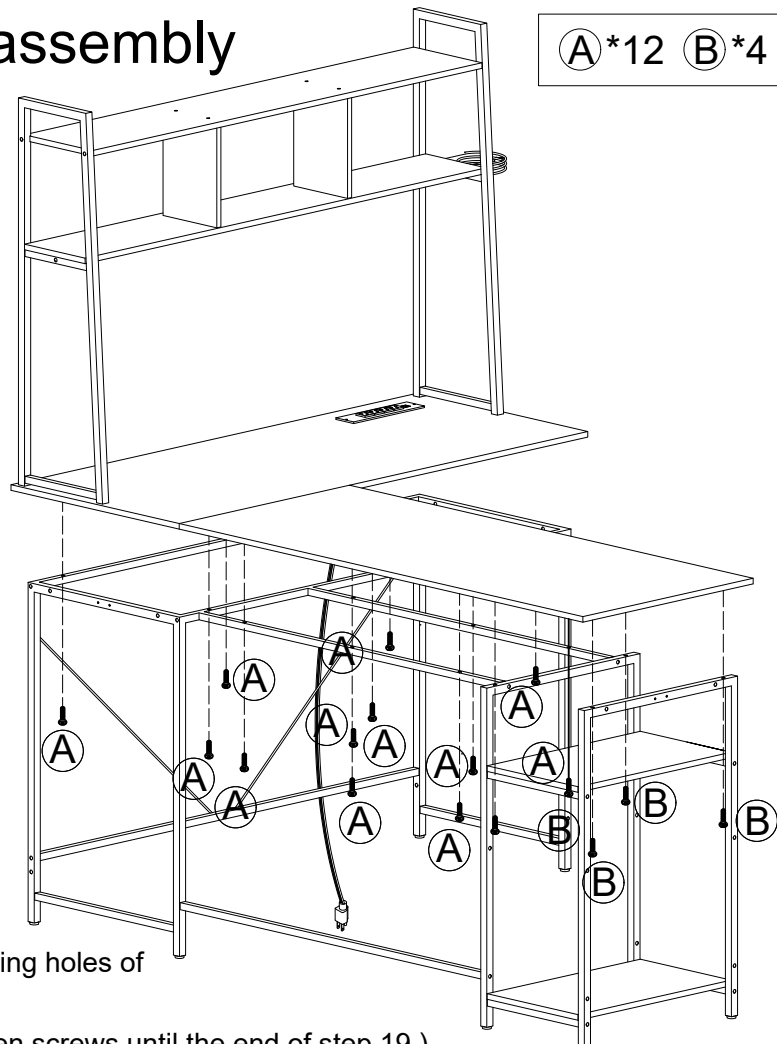

According to the directions of the components in the picture, connect two parts to ⑬ from the left and right sides with ④.

(Do not fully tighten screws until the end of step 19.)

Step 14 Option 2 assembly

①*12 ②*4 ⑦*1

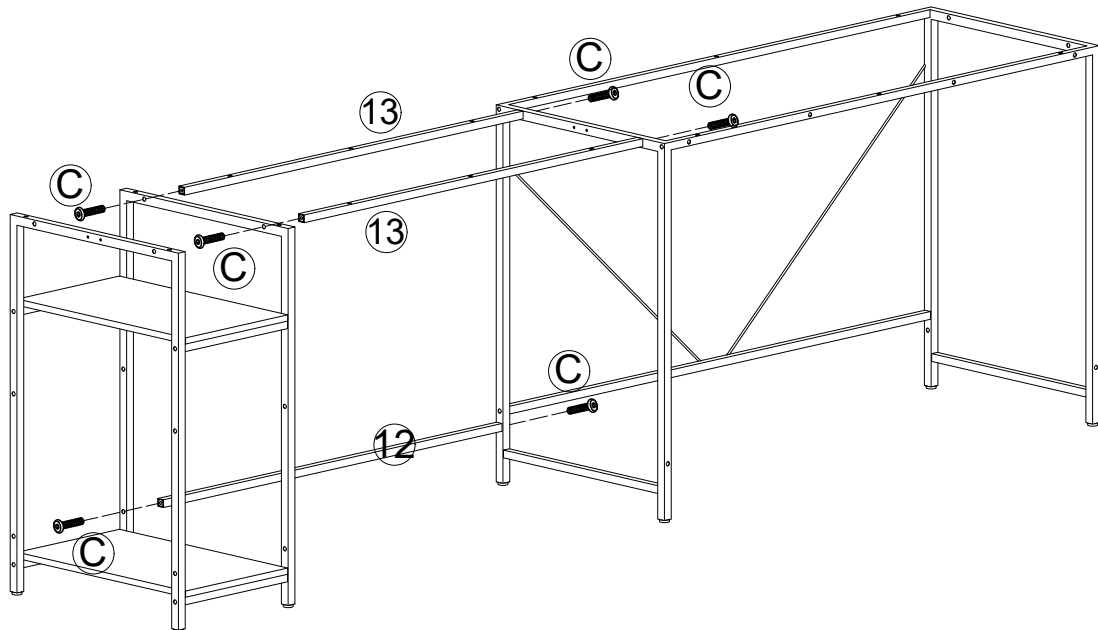

Attach the upper part to the corresponding holes of step 13 by using ① and ②.

(Do not fully tighten screws until the end of step 19.)

Step 15 Option 3 assembly

⑫*1 ⑬*2 ④*6 ⑤*1

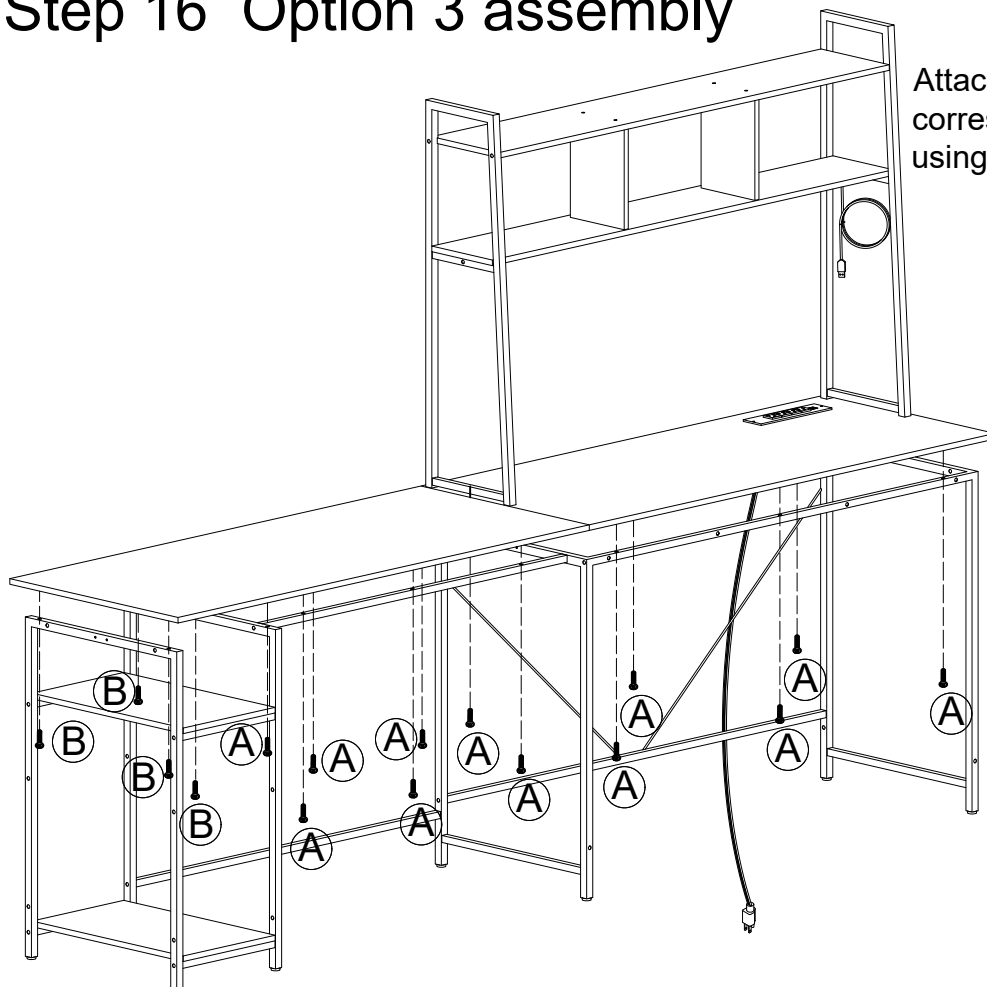

According to the directions of the components in the picture, connect two parts to ⑬ from the left and right sides with ④.

(Do not fully tighten screws until the end of step 19.)

Step 16 Option 3 assembly

①*12 ②*4 ⑤*1

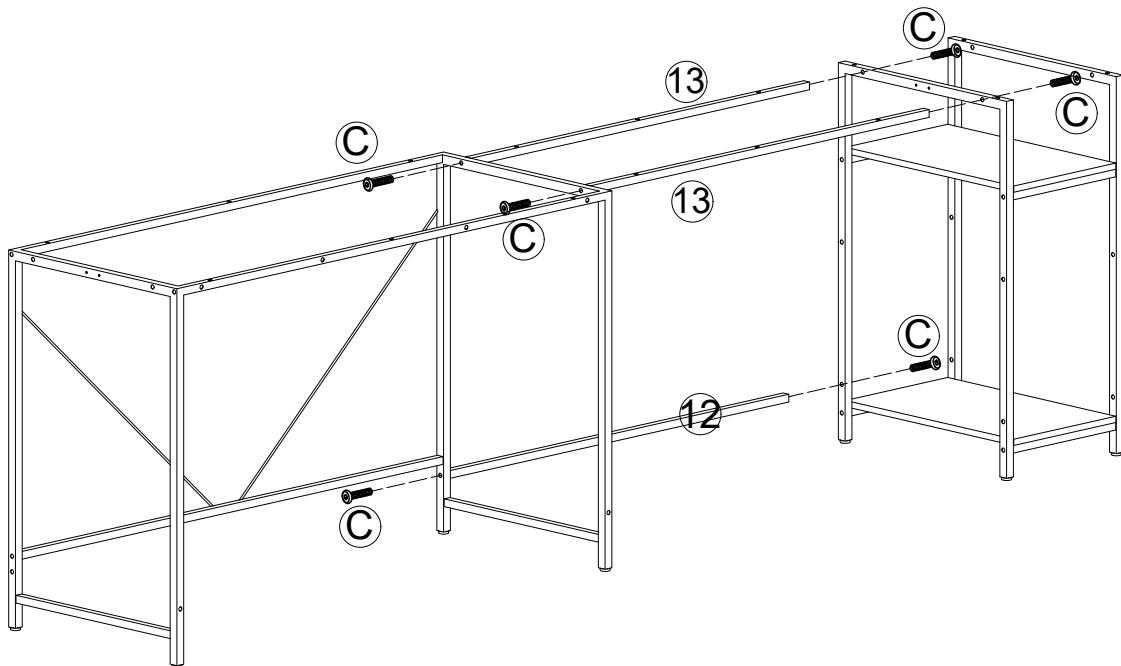

Attach the upper part to the corresponding holes of step 15 by using ① and ②.

(Do not fully tighten screws until the end of step 19.)

Step 17 Option 4 assembly

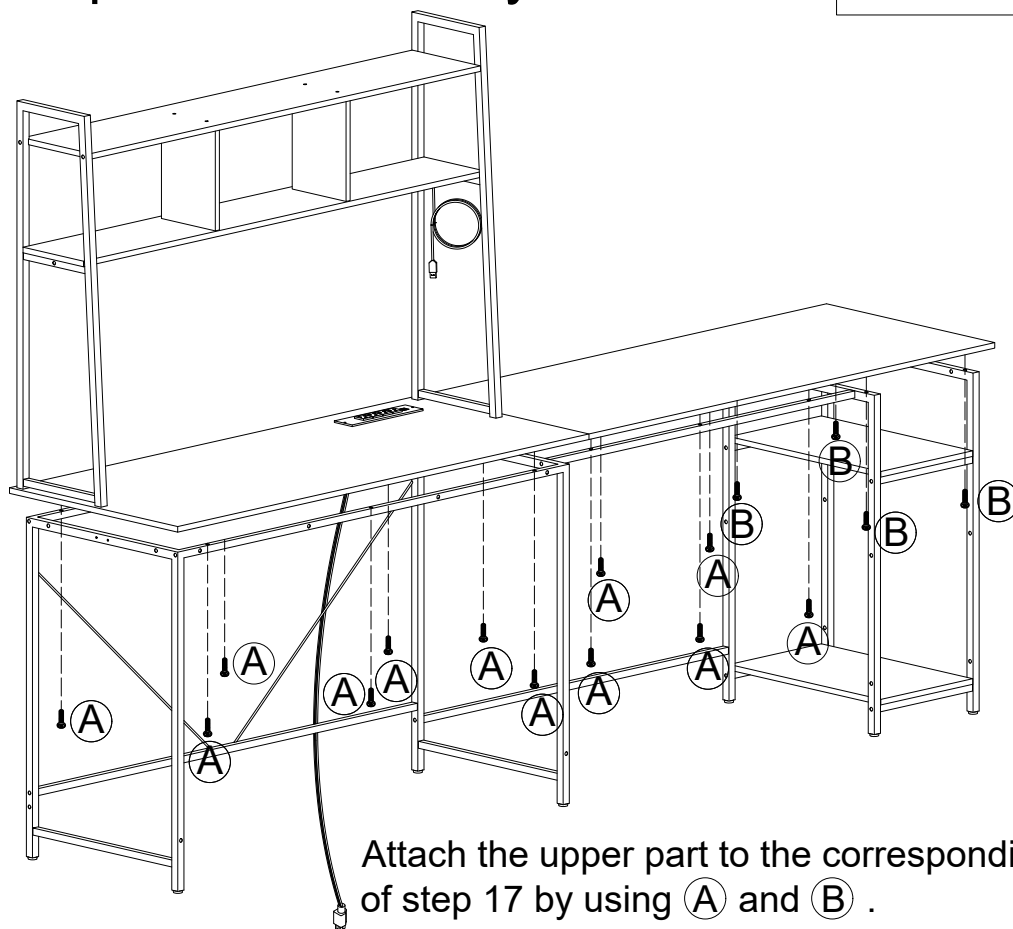

⑫*1 ⑬*2 ④*6 ⑤*1

According to the directions of the components in the picture,
connect two parts to ⑬ from the left and right sides with ④.
(Do not fully tighten screws until the end of step 19.)

Step 18 Option 4 assembly

①*12 ②*4 ⑤*1

Attach the upper part to the corresponding holes
of step 17 by using ① and ② .

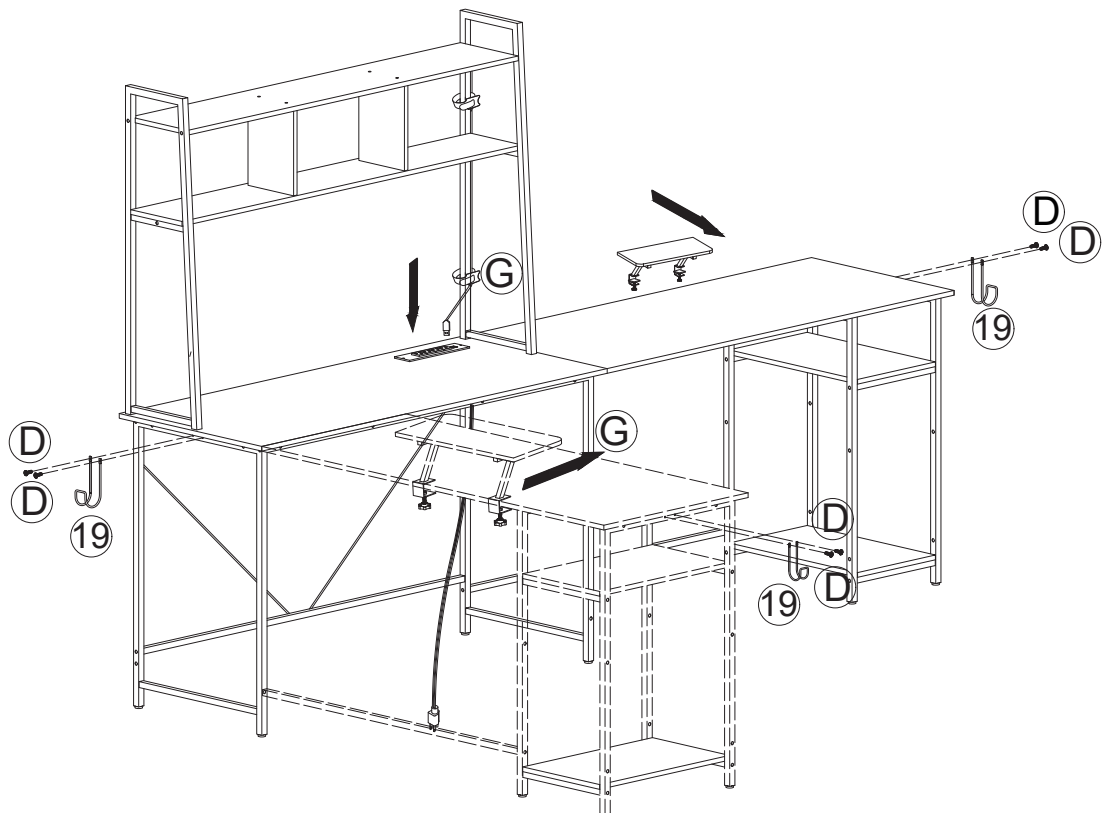

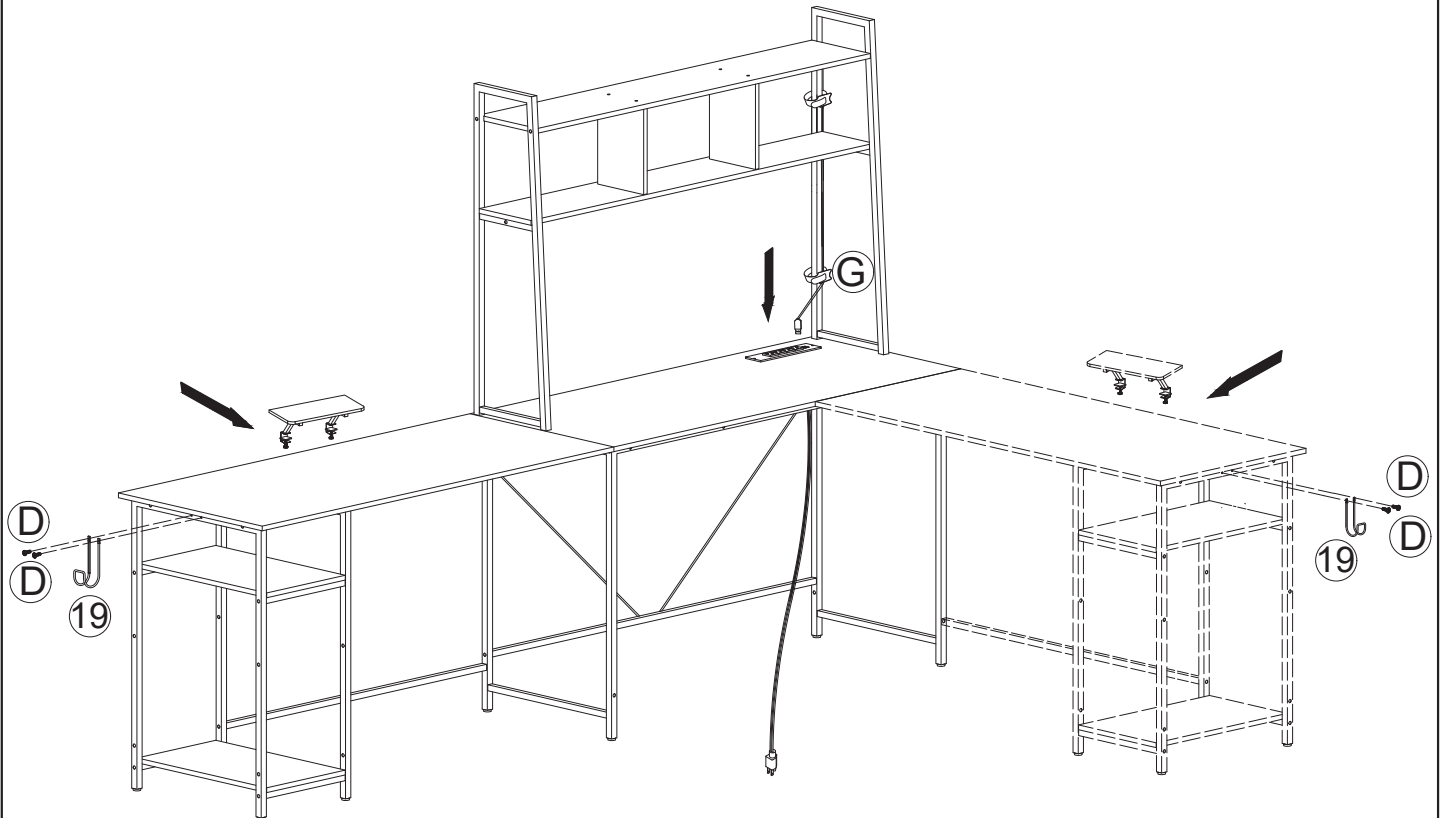

(Do not fully tighten screws until the end of step 19.)

Step 19 All options assembly

①⑨*2 ①④*4 ①③*2 ①⑤*1

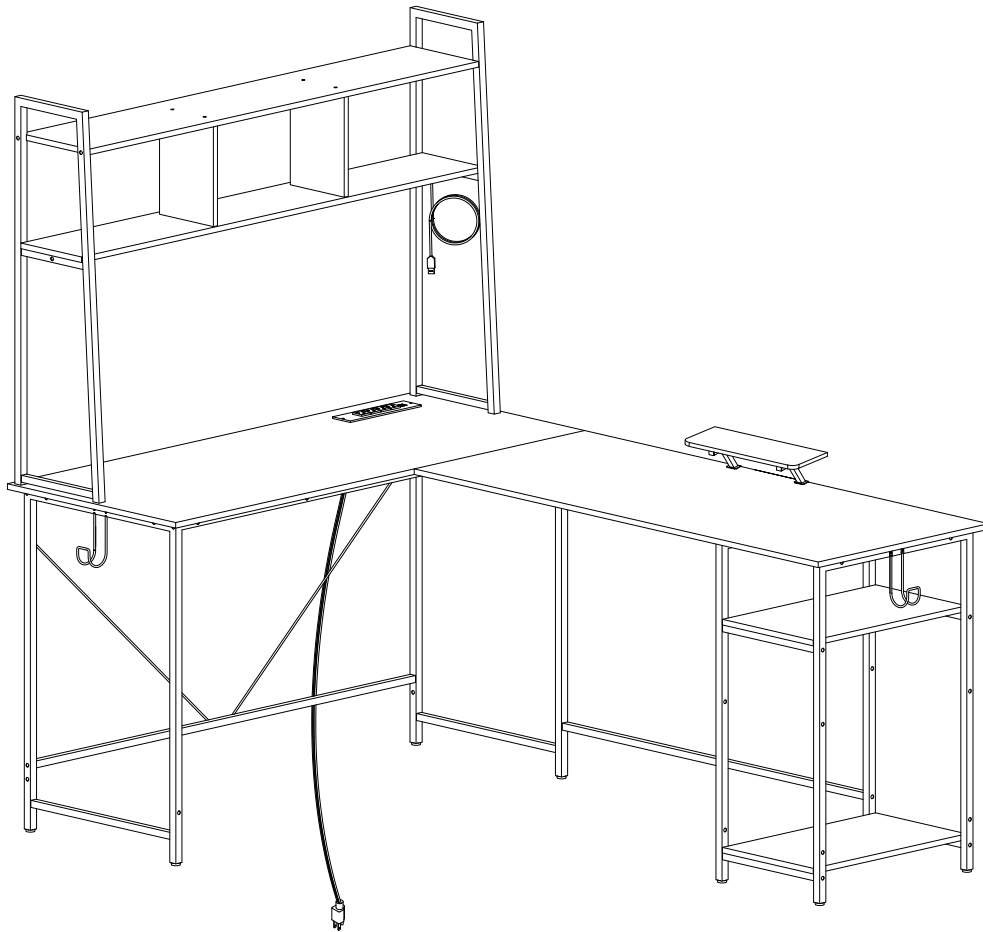

Fully tighten all screws at the end of this step

Use ①④ to connect ①⑨ to each side of the table, then attach the monitor stand to the corresponding holes of the table by using ①③.

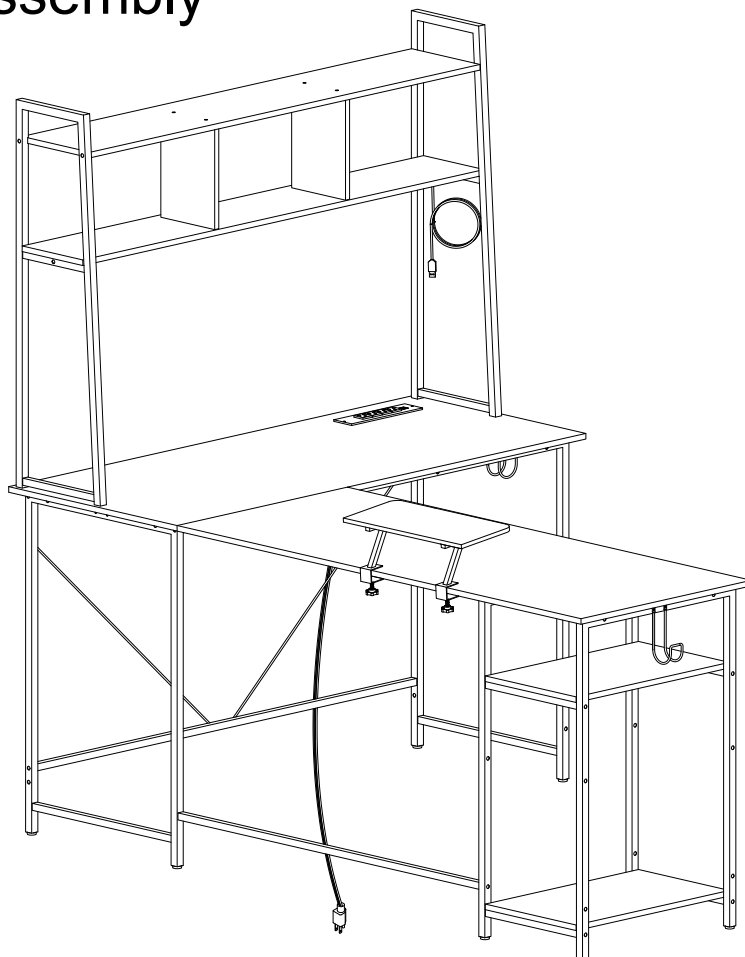

Installation completed.
