

ONCLOUD Hammock And Stand Instruction Manual

If you have any questions regarding our products, Please contact us at support@onclouddirect.com

Note: The manual shows the blue green hammock, the other color is available.

Warning:

1. Please make sure to lock all the plastic nuts and S hooks before using.
2. Never allow young children to use the hammock or stand unaccompanied by an adult.
3. DO NOT EXCEED THE LOAD LIMITATION OF 300 LBS. (This load limitation has been tested for when you swing back and forth gently on the hammock. If you sit still, the load limitation is about 440 LBS.)

Note: Before assembling, please make sure you have all the items below.

Hardware Included:

- (A) Center Pole: 1 PC
- (B) Foot Brackets: 2 PCS
- (C) Side Poles: 2 PCS
- (D) Plastic Nuts: 8 PCS
- (E) "S" Hooks: 2 PCS
- (F) Plastic End Caps: 4 PCS
- (G) Carrying bag: 1 PC
- (H) Hammock: 1 PC

Step 1: Take out the center pole.

Step 2: Insert the center pole into one of the foot brackets.

Step 3: Please check the direction of the short part of the foot brackets so that the screw holes are facing upwards.

Step 4: Lock the center pole and the foot bracket with 4 plastic nuts. (Don't tighten the nuts until the position of all 4 holes has been adjusted.) Then tighten all 4 plastic nuts.

Step 5: Turn the stand over.

Step 6: After turning over the stand, please check the direction of the long part of the foot brackets facing upwards.

Step 7: Insert a side pole into one of the foot brackets.

Step 8: Lightly lock the side pole to the foot bracket with 2 plastic nuts. (Don't tighten the nuts until the position of all 2 holes has been adjusted.) Then tighten all 2 plastic nuts.

Step 9: Repeat steps 7 and 8 to connect the other side pole and foot bracket.

Step 10: Place one S hook in the hole of the side pole and connect it tightly with a washer and a nut. Then repeat on the other side.

Step 11: Place 4 plastic foot caps to the ends of the foot brackets. (Please check the foot cap's direction, the flat side should face down.)

Step 12: Tighten all the plastic nuts and S hooks before using.

Step 13: Hang your hammock to the S Hooks. (The height of hammock could be adjusted by placing S hooks to the lower or upper holes of side poles.)

Step 14: Sit on your hammock slowly and lightly

Note: Your hammock will stretch and you may experience "bottoming-out" initially, be very careful when sitting on the hammock for the first time. Once this initial stretching occurs, you will need to tighten the hammock by adjusting the S hook to lower holes. Repeat this until a comfortable height is reached.
