

Onefold faceplate, for 1 socket outlet, Niko Rocker and Niko Toggle, alu gold brushed

227-74101

4 year warranty

The onefold faceplate clicks onto a single installed socket outlet function. The faceplate combines with any available Niko Rocker and Niko Toggle socket outlet finishing set.

It consists of an upper frame and lower frame that are mechanically interconnected. The upperframe is made of anodised aluminium (alu gold). The lower frame is made of white polycarbonate (PC) + acrylic-styrene-acrylate (ASA), gold coated. The upper frame is 6 mm thick and the lower frame 2 mm.

Niko recommends a design combination with the finishing set in the following colour: gold coated.

- Exclusive materials
- Authentic vintage design
- Belgian design & craftsmanship
- Design matches Niko Pure portfolio
- Proven Niko quality
- Designed to fit the standard socket outlet base
