Product Overview

Charging Case:

- 1) Connect the Micro USB end of the provided Charging Cable into the Micro USB Port of the Charging Case.
- 2) Connect the USB end of the USB Charging Cable into any USB Charging Port.
- 3) While charging the Charging Case Indicator Lights will blink.
- 4) Power LED Indicator will display two solid blue lights when it's fully charged.

Charging Earbuds:

- 1) Charge the Earbuds by placing them into the already charged Charging Case.
- 2) The earbud's Pairing Indicator Lights will glow red while being charged.
- 2) All Indicator Lights will turn off once the earbuds are fully charged.

Pair a Single Earbud:

- 1) Hold down the Multi-Function Button for 3 Seconds.
- 2) The Pairing Indicator Light will flash until the earbud appears on your device's Bluetooth Interface.
- 3) Select "Air" from your device's Bluetooth Interface.
- 4) Your Wireless Earbud should now be connected to your device.

back of front

Pair Both Earbuds (TWS):

- 1) Simultaneously hold down the Multi-Function Button on Both earbuds for 3 Seconds.
- 2) The Pairing Indicator Light will blink red and blue and a sound will prompt that they are being paired.
- 3) The blue light will blink slowly to indicate that they have been successfully paired.
- 4) Select "Air" from your device's Bluetooth Interface.

(If you have trouble pairing please refer to your Device's Bluetooth Pairing Instructions as methods may differ.)

- After a successful connection you can listen to music and make a phone call.
- Shut down, play, and pause can be controlled by either of the multi-function buttons.
- After pairing for the first time just press the multi-function button to automatically reconnect.

Make a Call:

- 1) Connect the earbuds to your Phone's Bluetooth.
- 2) Use your Phone's interface to make a call.
- 3) To relieve an incoming call press the Multi-Function Button once.
- 4) To deny an incoming call quickly press the Multi-Function Button twice.

Listen to Music:

- 1) Connect the earbuds to your Phone's Bluetooth.
- 2) Use your Phone's interface to select your music.
- 3) Once paired music will automatically play through the earbuds.
- 4) Press the Multi-Function Button to Pause/Play Music.

Turn Off the Earbuds:

- 1) Press the Multi-function Button for up to 5 Seconds or until the red light starts to blink.
- 2) The earbuds will automatically turn off if they are out of reach of the Bluetooth Device or if the Bluetooth Device shuts down.
