

- Before installation ensure all measurements on the product are correct.
- If the half-pedestal is loose, attach the spring one hole higher to the metal tag.

## Installation of basin with half-pedestal

1. Fix the basin onto the wall.

2. Temporarily place the half-pedestal against the basin and mark the mounting positions on the wall.

3. Fix the half-pedestal on the previously bored positions with the bolts.

4. Place plastic cover on bolt head.
