HOW TO HANDLE AN ALARM
Enter your user code or present your credential to the keypad if it has a built-in proximity reader.
You will see:

IS THIS A FALSE ALARM?
YES   NO

REAL ALARM
Press **NO** to notify the emergency monitoring center. Your system will remain armed.

FALSE ALARM
Press **YES** to cancel the alarm. Your system will disarm.

Arm a Home/Away System

Thinline Keypads
1. Press **CMD** until the keypad displays **HOME AWAY**.
2. Select **HOME** if you're staying inside the building, leaving the interior disarmed and arming the exterior. Select **AWAY** if no one will remain inside the building.

Touchscreen Keypads
1. Press and release the shield to open the arming options screen.
2. Select **HOME** if you're staying inside the building, leaving the interior disarmed and arming the exterior. Select **AWAY** if no one will remain inside the building.
3. Enter your user code if prompted.

Disarm a Home/Away System

Thinline Keypads
1. Enter your user code to disarm the system.

Touchscreen Keypads
1. Press and release the shield to open the arming options screen.
2. Select **DISARM**. The keypad displays a list of areas to disarm.
3. To disarm all areas, select **Disarm All**. To disarm select areas, tap the area name and then tap **Disarm Selected**.
