

Series 9, Contemporary Double DishDrawer Dishwasher

Series 9 | Contemporary

Black Stainless Steel

<p>Wash one drawer while you load the other, with minimal bending and room in each drawer for full-size dinner plates.</p>

- Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options
- Flexible racking allows you to customise internal shelves to suit your needs

DIMENSIONS

Height	820 - 880 mm
Width	599 mm
Depth	573 mm

FEATURES & BENEFITS

Quick, Sanitise and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection, killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

Ease Of Use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers, and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

Independent Washing

With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

Beauty Of Choice

As much a design component as a high performance appliance, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, on its own or part of a matching kitchen appliance set.

True Half Load

Each drawer holds a true half load for small, fast dish washing that won't waste water. Both drawers operate independently so two wash cycles can operate simultaneously to allow for varying loads.

Quiet Performer

Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

SPECIFICATIONS

Accessories (included)

Cutlery basket	•
Kickstrip	true
Knife clip and multipurpose clip	•

Capacity and loading

Accommodates round plates up to	280mm
Adjustable height, foldable cupracks	•
Fold down tines	•

Pitch adjustable tines	•
Place settings	14
Place settings	14
Place settings per drawer	7

Consumption

Energy rating	3.5 star
Energy usage	136kWh/year per drawer
In-use energy carbon emissions estimate	12.9kgCO2e/year per drawer
Water consumption (per wash cycle)	6.9L per drawer
Water rating	4.5 star (WELS)

Controls

End of cycle beeps	•
Energy saving delay start option of up to 12 hours	•

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
