Set up your Arlo Essential Outdoor Camera

1. Your camera arrives partially charged. For optimal performance, we recommend fully charging your device. The blue LED light will blink to indicate charging has started and remain off during charging. The LED light will be solid blue once the device is fully charged. This may take a few hours.
2. Download the latest version of the Arlo Secure App and sign in or create an account when prompted.

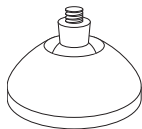

The "Download on the App Store" logo, featuring the Apple logo and the text "Download on the App Store".

The "GET IT ON Google Play" logo, featuring the Google Play logo and the text "GET IT ON Google Play".
3. Turn on your phone's Bluetooth and open the Arlo Secure App. Press the pair button on your Essential Outdoor Camera. The app will walk you through setup and mounting.
