Parts List

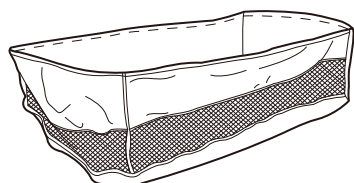

Carry Bag x 1

Mattress x 2

Travel Cot x 1

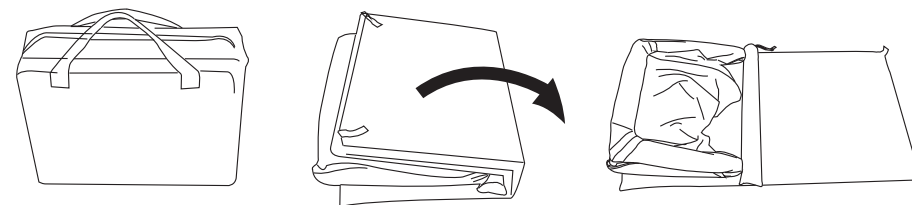

Bassinet x 1

Product Assembly

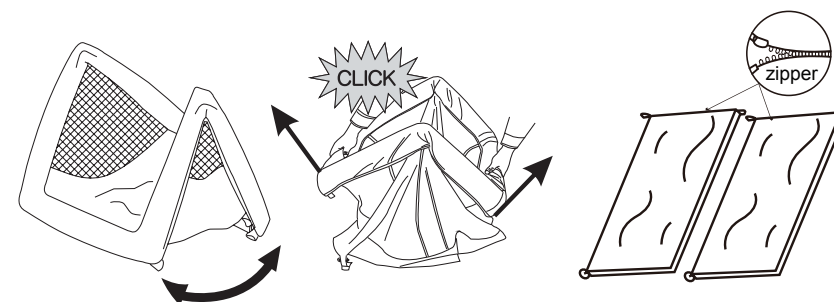

1

Remove the travel cot, mattress and bag containing the legs from the carry bag.

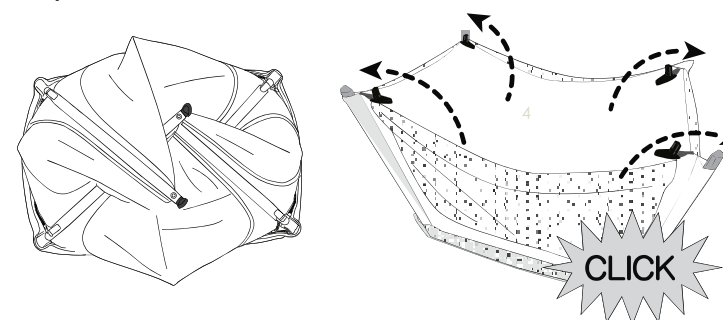

2

Unfold the travel cot frame until a click is heard to indicate that the frame is locked into place. Then flip the frame upside down. Zip the mattress together using the zip.

3

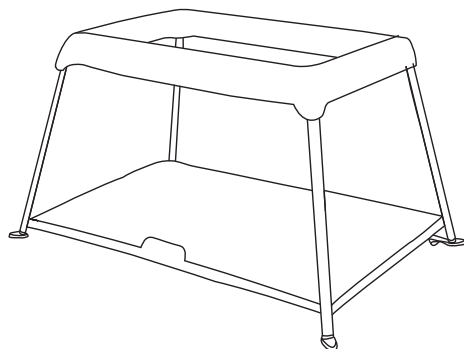

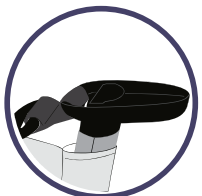

Unfold the legs from the centre until a click is heard to lock into place.

Product Assembly

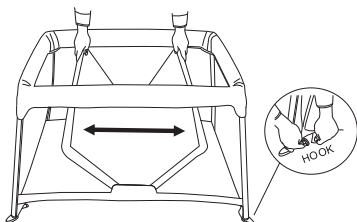

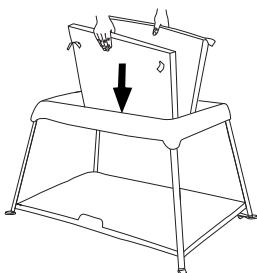

4

Insert the feet into the leg tube one by one, and then turn cot upright.

5

Insert the mattress into the cot as seen below and rotate the mattress inside the cot, when the mattress is in place inside the cot. Attach the mattress to the cot by hooking the mattress onto the legs.

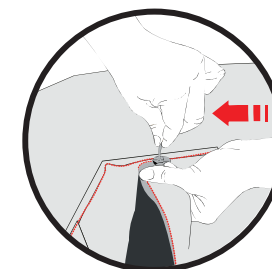

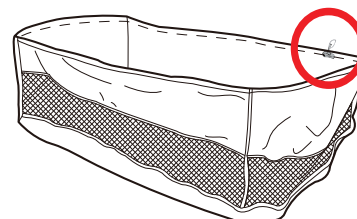

With the mattress securely positioned and all components firmly in place, your travel cot assembly is complete. Ensure the cot is stable before placing your baby inside. Your Venture Travel Cot is now ready to provide a safe and comfortable space for your little one.

Bassinet Assembly

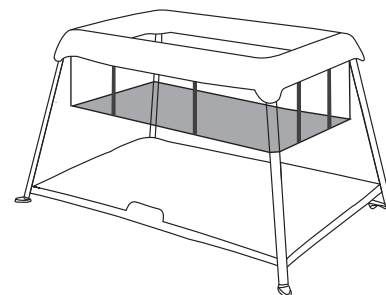

1

To attach the bassinet to the travel cot frame, align the zippers on the bassinet with the tracks on the frame and zip around the perimeter until securely fastened.

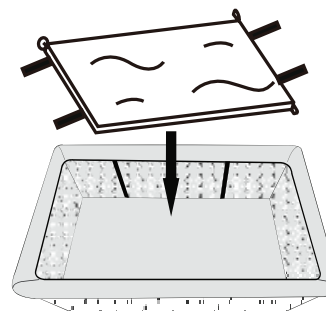

2

Once the bassinet is securely zipped into the travel cot frame, the customer should gently press down on the bassinet to ensure it is firmly in place and check that all zippers are fully closed before placing their baby inside.

3

Take the mattress half with four velcro straps and place into the bassinet. Thread the Velcro through the bottom hole of the bassinet one by one, and then secure it to the bottom of the bassinet.

Product Disassembly

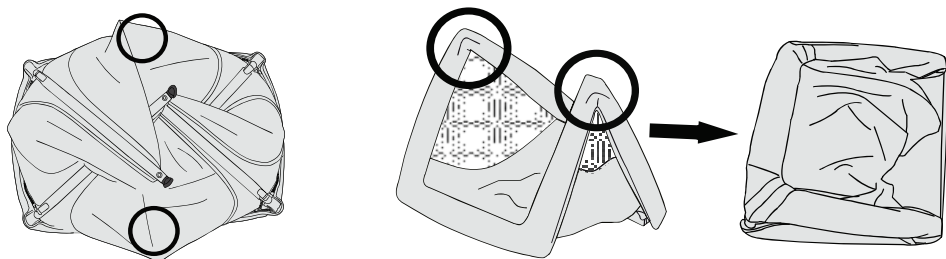

- 1 To remove the mattress, unhook each corner from the base of the travel cot. Once all hooks are detached, lift the mattress out of the cot.

- 1 Release the legs by pulling down the black clip, then fold each leg inward toward the center of the travel cot.

- 2 Press the buttons in the center of the frame to allow it to fold in half.

Product Disassembly

- 1 Unzip the mattress to split it into two halves and place it into the bag along with the carry cot.
