BLUEPRINT

**HOLD UP!**

You might notice some bags aren't in order, as well as left over pieces, but that's ok! We're changing the way you build LEGO!

ATTENDEZ!

Vous remarquerez peut-être que certains sacs, ainsi que certaines pièces, ne sont pas dans le bon ordre. Mais pas de panique! Nous changeons simplement la façon avec laquelle vous construisez vos LEGO!

ASPETTA!

Potresti notare che alcuni sacchetti non sono in ordine, così come i pezzi avanzati, ma va bene così! Stiamo cambiando il modo in cui costruisci i LEGO!

HALT!

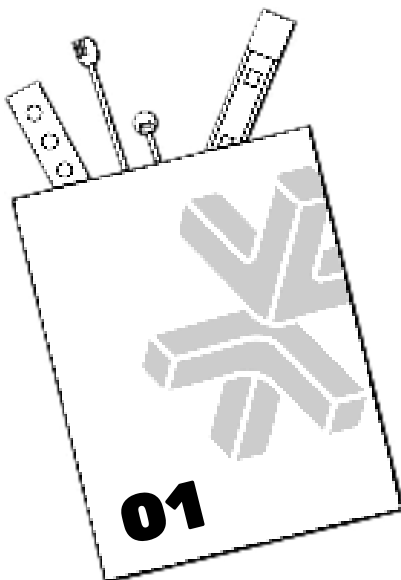

Sie werden möglicherweise bemerken, dass einige tüten durcheinander sind und teile übrig bleiben, aber das ist in Ordnung! Wir ändern die art und weise, wie Sie LEGO bauen!

¡ESPERA!

Es posible que notes que algunas bolsas están fuera de servicio, así como piezas sobrantes, ¡pero está bien! ¡Estamos cambiando la forma en que construyes LEGO!

暫停!

你可能会注意到一些袋子顺序错乱, 以及一些剩余的部件, 但没关系! 我们正在改变你搭建乐高的方式!

325

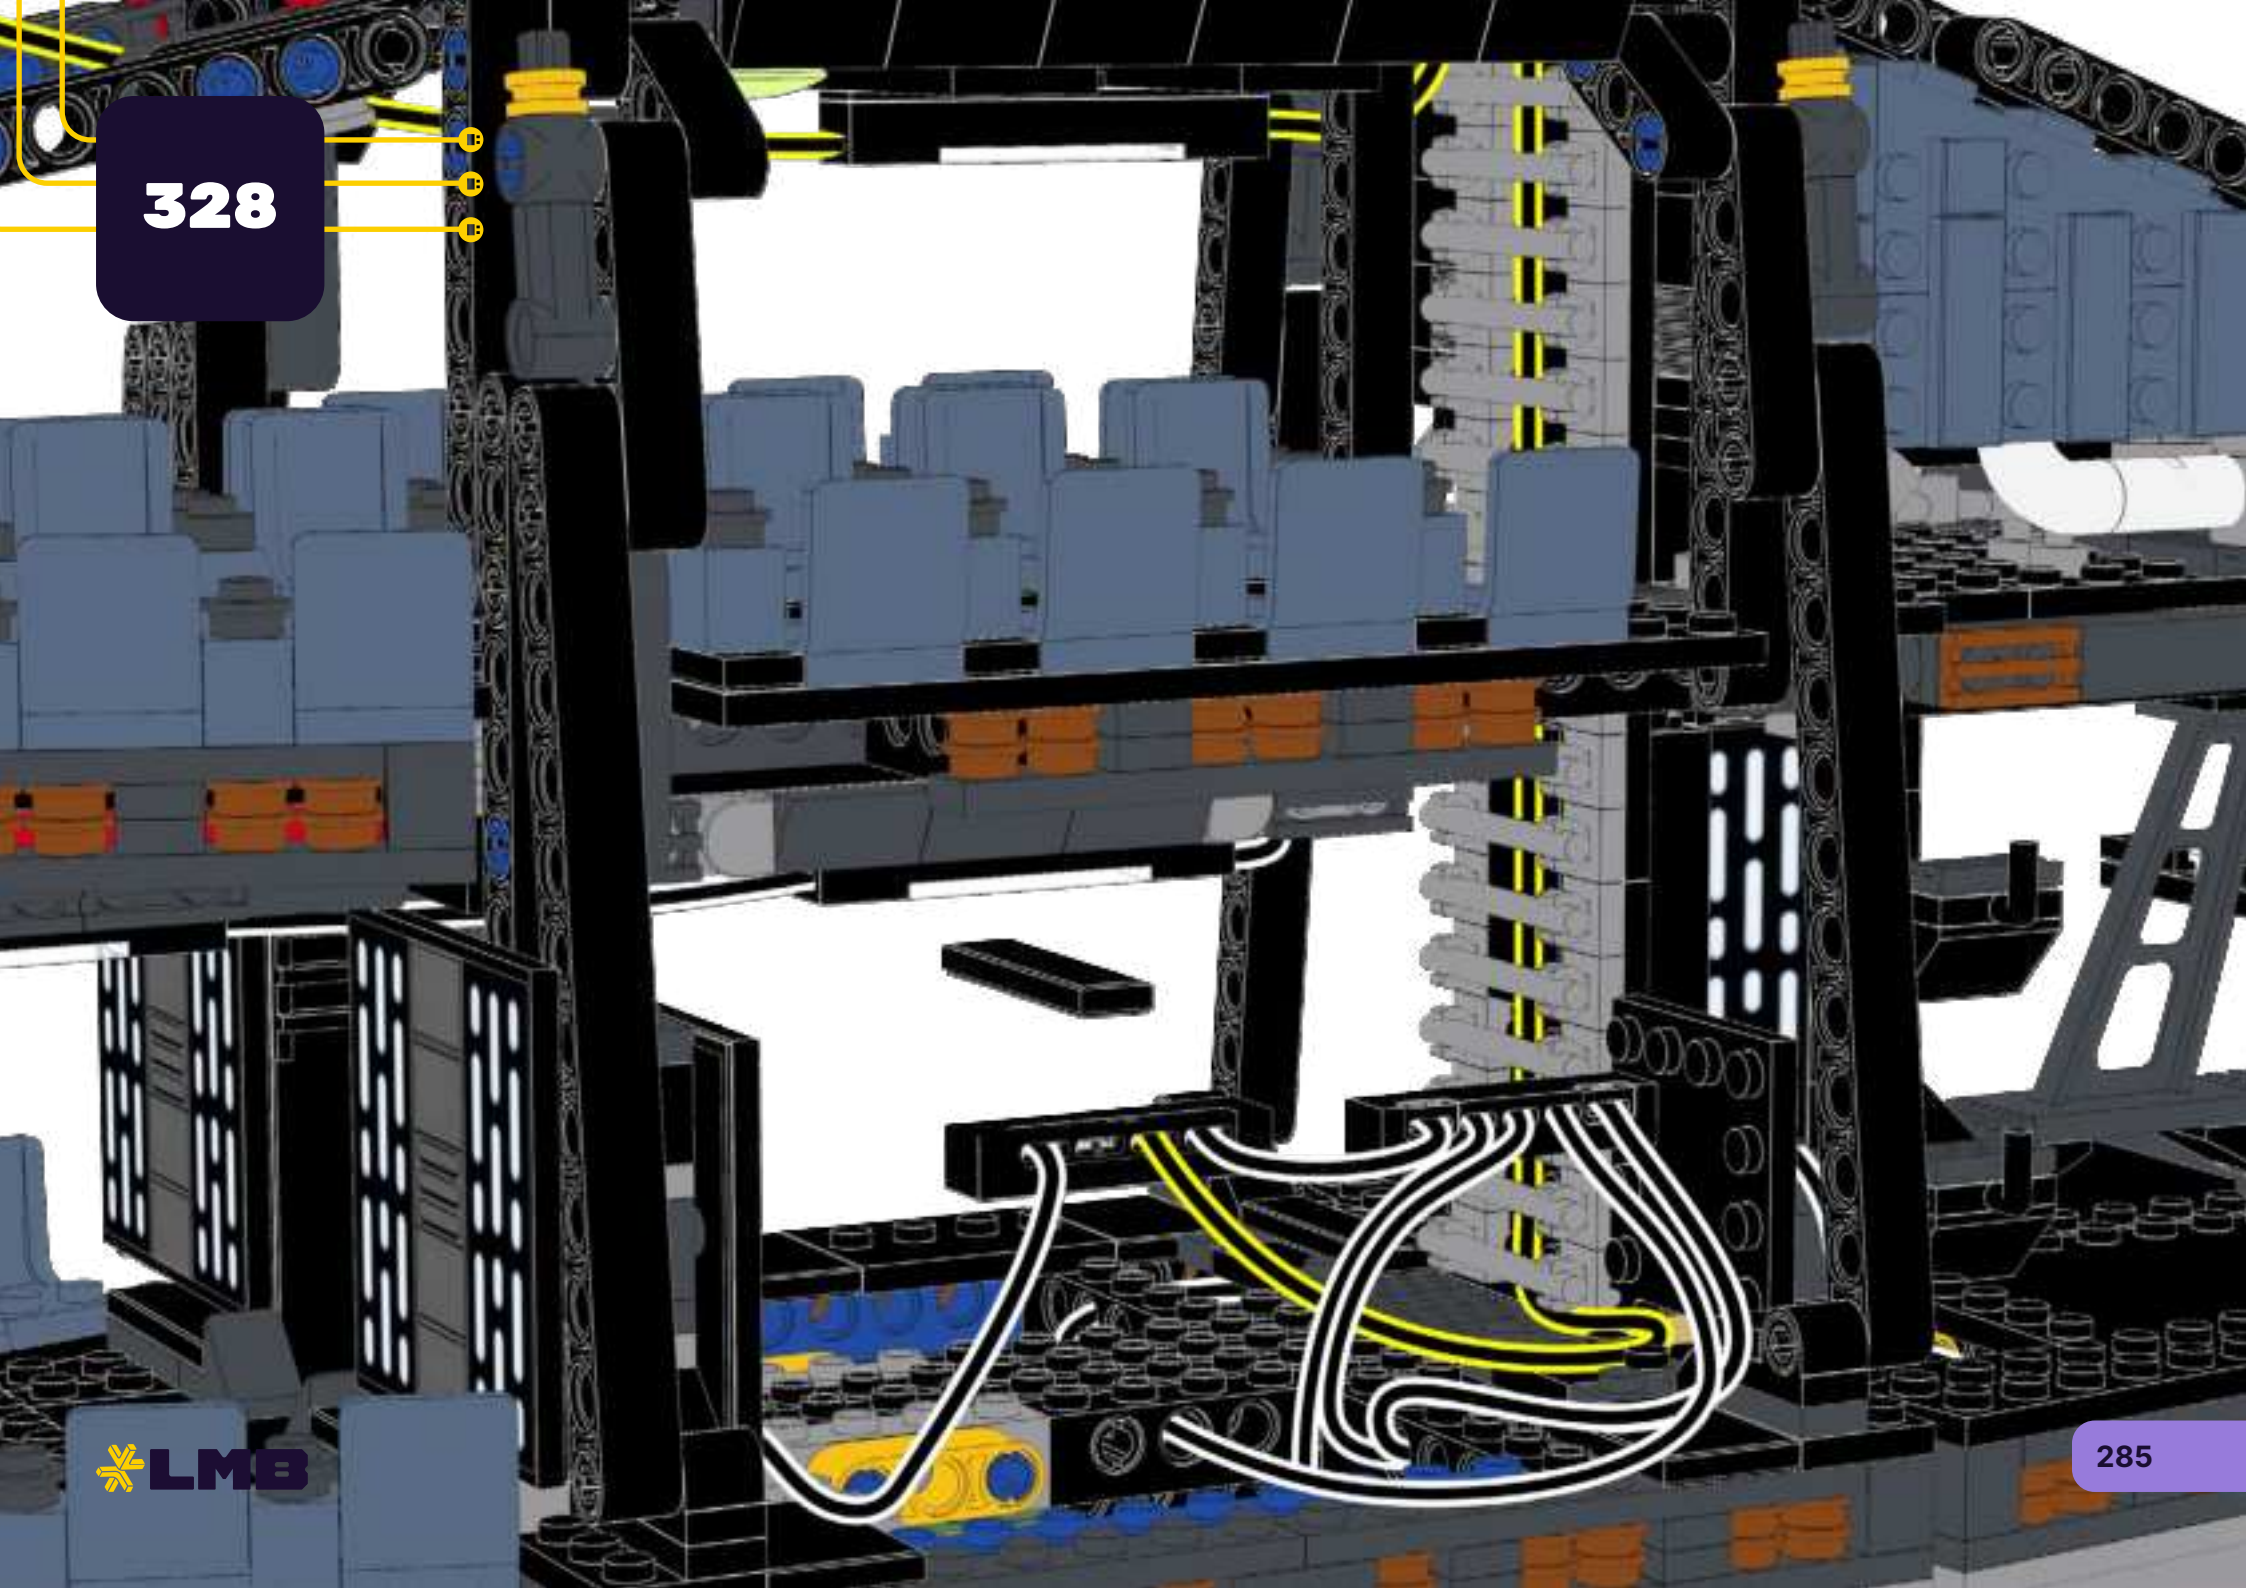

A detailed LEGO Technic assembly diagram showing a complex mechanical structure. The assembly features a central vertical frame made of black Technic beams. On the left side, there are several blue Technic components, including what appear to be motor housings or large gears, mounted on a grey base. The right side shows a more intricate arrangement of grey and black beams, with a white curved piece visible. Yellow and white lines are drawn over the assembly, indicating the path of cables or wires. These lines start from the bottom right, loop around, and connect to various points on the central and right-hand structures. A dark purple square with the number 326 is located in the top left corner. The overall design suggests a sophisticated mechanical or electrical model, possibly a custom-built robot or a complex display piece.
