FEATURES

01

VERSATILE DRUM THRONE

This drummer chair has many application other outside of drumming. It can be used as guitar seat, DJ chair, cello chair, music stool.

02

SOLID SUPPORT BASE

Our drum stools feature double-braced tripod legs and multiple rivet connections, which make them safer, more stable, and long-lasting.

03

PORTABLE DRUMMER CHAIR

The collapsible design allows for quick setup and tear-down, making it a very easy-to-transport and ideal companion for drummers on the go.

04

IMPRESSIVE LOAD CAPACITY

Double support bars and a cross-hair structure under the drum seat provide additional support, holding up to 200 lbs. Ideal for adults and kids.
