Clean Water

Enjoy fresh, high-quality water with eSpring™, the world's #1 selling home water purifier brand.*

Clean Air

Breathe cleaner room air with the Atmosphere™ Air Treatment System.

Healthy Cooking

Cook with confidence using iCook™ cookware solutions for fresh, delicious and nutritious meals.

Clean Home

Keep your home clean and spotless with Amway Home™ environmentally conscious cleaning products.

The most important nutrient.

Water is essential for all bodily functions, including cell function, nutrient transport, waste removal and temperature regulation, and humans can only survive for a few days without it. Yet, your tap water may still contain contaminants. Give your family cleaner, better tasting water with eSpring.[†]

The eSpring UV Water Purifier meets high standards

NSF International is an independent, product-testing organization committed to public health safety and environmental protection for over 50 years. It has tested and certified that our eSpring UV Water Purifier meets NSF/ANSI Standards 42, 53, 55B and 401, and NSF Protocol P477.

eSpring UV Water Purifiers have earned the Water Quality Association's Gold Seal for superb consumer water treatment products.

The ETL Listed Mark is proof of product compliance to North American electrical safety standards. The eSpring UV Water Purifier conforms to UL Standard 60335-1 and CAN/CSA-IEC-E60335-1.

[†]The eSpring Water Purifier is designed only for use with potable water deemed safe to drink by local public health authorities.

^{††}Based on average annual water usage for a family of six. Actual filter life depends on water quality and usage.

Reduces the bad, keeps the good

eSpring™ Water Purifiers retain essential minerals that may be in your water, including Magnesium, Calcium and Fluoride.

Effectively reduces 170+ contaminants[†]

Filters microplastics (down to 0.2 microns), PFOA and PFOS, and over 19 categories of pharmaceuticals.[†] UV-C LED destroys 99.9999% of bacteria, 99.99% of viruses and 99.9% of waterborne cysts.[†]

Treats up to 5,000 liters of water per year^{††}

It also uses 25% less energy when actively in use compared to previous models and saves water compared to reverse osmosis water treatment systems.

Tap into cleaner, great-tasting water.

Choose
an above or
below counter
model.

eSpring™ Water Purifiers use UV-C LED technology for cleaner, fresher water. Sleek styles, including designer faucet options, deliver powerful purification to fit your home.

eSpring™ UV Water Purifier Replacement Cartridge with UV Technology

Our carbon-block filter effectively reduces more than 140 potential contaminants while allowing beneficial minerals to pass through.[†]

100186 1 Filter

eSpring™

Reduces 170+ contaminants.[†]

With an advanced e3 Carbon Filter and UV-C LED technology, the eSpring™ Water Purifier reduces 170+ contaminants, including microplastics down to 0.2 microns, PFOA and PFOS, bacteria and viruses, while retaining beneficial minerals for cleaner, better-tasting water.[†]

Effectively destroys[†] up to

99.99999% of bacteria	99.99% of viruses	99.9% of cysts
---------------------------------	-----------------------------	--------------------------

**Certified to reduce PFAS
substances by 99%[†]**

**eSpring units use pioneering UV-C LED
technology**

As advanced as they come, the eSpring Water Purifier's UV-C LEDs emit ultraviolet light that enables it to effectively kill 99.9%[†] of microorganisms such as bacteria, viruses and cysts that may be present in your drinking water.[†]

Cleaner air with every breath.

Trust our advanced filtration solutions to help remove unseen threats from the air as it passes through.†

Dust

Odors

Pet Dander

Smoke

The Atmosphere Air Treatment System meets high standards

British Allergy Foundation Seal of Approval. Recognized as able to reduce exposure to specific allergens.

ENERGY STAR® is the simple choice for energy efficiency.

†ENERGY STAR® is a registered mark owned by the U.S. Environmental Protection Agency.

Association of Home Appliance Manufacturers
Clean Air Delivery Rate Certification.

Atmosphere Sky™ has been tested and approved by SleepScore.

†The Atmosphere Sky™ Air Treatment System is a room air filtration unit designed for use in rooms up to 465 sq. ft. in size. Not designed to filter the air throughout an entire home. Particulate removal performance is based on testing conducted in controlled environments.

*The United States Environmental Protection Agency (EPA) states that indoor air can be up to five times more polluted than outside air, July 2018.

Filters beyond the standard

HEPA standards only require that filters block particles as small as 0.3 microns. But the Atmosphere Sky™ unit goes even further, capturing contaminants as small as 0.0024 microns. That's like comparing a green pea to a dinner plate!

Indoor air can be 5X more polluted than outside air*

Breathe cleaner room air with Atmosphere
Sky™ – designed to provide clean and
fresh room air.

Up to 40% of North Americans have allergies

And 15% are allergic to their own pets at
home.

ATMOSPHERE SKY™

Atmosphere Sky™

- 5 speed settings
- 3 separate filters work together (pre-filter, advanced HEPA filter & carbon filter)
- Pre-filter is easily removable for cleaning as needed
- Consumes about 2-50 watts of energy per day
- Plus renewable limited warranty protection for up to 5 years[†]

Atmosphere Sky™ Air Treatment System

Three-stage filtration system captures 99.99% of airborne contaminants passing through the unit.

120539

[†]With purchase of additional filters. Other conditions apply. For complete details, visit Amway.ca/atmosphere.

Monitor your home's water and air from almost anywhere*

With the Amway™ Healthy Home app, you can conveniently register and monitor your unit(s), buy replacement filters, get automated software updates and more!

*Internet connection required.

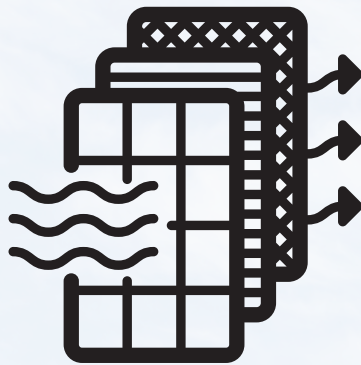

Cleans
465
sq. ft.

The power of a fresh filter.

Take a breath of fresh air. Regular filter changes keep your Atmosphere Sky™ unit running efficiently, removing airborne pollutants and allergens so you can enjoy cleaner air with total peace of mind.

Keep your air fresh at Amway.ca/atmosphere

Our 3-stage solution delivers 99.99% filtration – that's better than standard HEPA.**

Pre-Filter

Captures large airborne fibers and hair before they circulate.

Advanced HEPA Filter

Removes tiny particles like allergens, bacteria, mold, viruses, fungi and even asbestos.

Carbon Filter

Reduces formaldehyde, dioxin and ozone – plus odors from smoke, cooking and pets.

*Suggested use for best results. Average filter life. Actual filter life depends on usage and air quality.

**HEPA standards are 99.7%.

For previous full-size unit

Lasts 1-3 years*

Atmosphere™ Replacement Filter – HEPA Filter (for original Atmosphere™ system)

Removes 99.99% of airborne impurities and contaminants that flow through the filter.

101078 1 Filter

Lasts 4-12 months*

Atmosphere™ Replacement Filters – Carbon (Odor) (for original Atmosphere™ system)

Designed using a high-efficiency form of carbon for optimal odor and chemical reduction.

118040 1 Filter

For latest full-size unit

Lasts 1-3 years*

Atmosphere Sky™ Replacement Filter – HEPA

Removes 99.99% of airborne contaminants as small as 0.0024 microns, including allergens, bacteria, mold, viruses, fungi and asbestos, from air passing through the filter.

120540 1 Filter

Lasts 4-12 months*

Atmosphere Sky™ Replacement Filter – Carbon (Odor)

Activated carbon from coconut husks has a complex system of tiny, connected pores with a surface area of 220 football fields, so when airborne molecules come into contact, they're absorbed.

Built for quality

Stainless steel stands up to cooking demands – no chipping, cracking or rusting. With even heat distribution and retention, it's ideal for high-heat cooking, sautéing and boiling.

Cook with confidence using stainless steel pots, pans and lids with Vitalock technology. Unlike nonstick, stainless steel cookware can withstand higher heat for searing and sautéing. Built for quality, they make it easy to create healthy, delicious meals for you and your family.

Stackable!
Save space
& use less
heat.

iCook™ 5-piece Sauté Set

Set includes 2-quart and 3-quart sauté pans with their corresponding lids, as well as a junior dome lid.

101084

iCook™ 4-Piece Saucepan Set

Set includes 2-quart and 3-quart stainless steel saucepans and their corresponding lids.

replacement parts.

Nonstick, reinvented.

With triple-layer non-stick coating, our nonstick cookware can handle heat up to 400°F and cleans up fast.

Choosing the Right Pan

Love a good sear? Stainless steel is tough, high-heat ready and great for browning, sautéing and boiling. It won't chip or rust and plays nice with metal utensils, but can sometimes take a little extra scrubbing.

Prefer easy cleanup? Nonstick is perfect for delicate foods, effortless flipping and saving time. Use gentle utensils and skip acidic ingredients to keep the coating in top shape.

P.P.
Customer

Liquid or powder detergent?

Get powerful, effective cleaning – no matter which solution you choose.

Liquid

Best for colors, regular laundry and sportswear. Gentle on fabrics.

Powder

Best for whites, towels and sheets. Tough on stains. Great for soaking.

Amway Home™ SA8™ Liquid Laundry Detergent

Quick-dissolving detergent gets clothes whiter and brighter and rinses away completely with no irritating residue.

110478 4 L/135 fl. oz.

Amway Home™ SA8™ Powder Laundry Detergent

Triple-concentrated to power out stains and leave fabrics soft and clean. Brightens whites and colors and prevents darks from fading.

109849 3 kg/6.6 lbs.

Wash with love.

Your family's clothes deserve the best. Our laundry products tackle tough stains, odors and dirt with ease. Gentle on skin and fabrics, they care as much as you do.

When you choose a product recognized by the U.S. EPA's Safer Choice program, you are choosing a product that not only works, but is also safer for you, your family, your pets and the environment.

Amway Home™ All Fabric Bleach

Active oxygen bleach powers out your worst stains at all temperatures.

124485 1 kg/2.2 lbs.

Amway Home™ Fabric Softener

Naturally restores the soft, fluffy feel to clothes, towels, bed linens and more. Not for use on sportswear.

110480 1 L/33.8 fl. oz.

Amway Home™ Prewash Spray

Just one spray helps remove your toughest stains without rubbing or soaking.

110403 350 g/12.3 oz.
