

60mm

User Manual

Please read the manual before use.

- The information in this document won't be modified or extended in accordance with any notice.
- The watch should be charged for 2 hours at least before first time use.

1. Caution

1.1 Waterproof and dust-proof

Please follow below guidelines to maintain the waterproof and dust-proof function. Otherwise, your device might be damaged.

- Do not use watch when diving, snorkeling or other sports in turbulent water.
- Do not use watch in extremely high or low temperature environments.
- Do not use blowers and other heated equipment to dry the watch.
- Avoid the watch is dropped or hit.
- Avoid wearing the device in the sauna and steam room.
- Do not disassemble your watch without permission.
- Please dry your hands or watch fully before operating.
- If the watch is exposed to water or other liquids (such as salt water, pool water, soapy water, oil, perfume, sunscreen, hand sanitizer) or chemicals (such as cosmetics), please clean and dry it fully with a soft cloth. Do not follow these instructions may damage its performance and appearance.

1.2 Cleaning and management

Follow the points below to ensure the watch is operating normally and looks good. Otherwise, it may damage your watch and cause skin irritation.

- Protect watch from dust, sweat, ink, oil, and chemical products (such as cosmetics, antibacterial sprays, hand sanitizers, detergents, and insecticides). Otherwise, the internal and external parts may be damaged or cause performance degradation.
- If watch is stained with the above substances, please clean it with a lint-free soft cloth.
- When cleaning the watch, do not use soap, detergent, abrasive materials, compressed air, ultrasonic waves, or external heat sources. Otherwise, the watch may be damaged. Soap, detergent, hand sanitizer, or detergent residue may cause skin irritation.
- After exercising or sweating, please clean your wrist and strap. Use water to clean the watch and dip a small amount of alcohol to wipe, then dry it thoroughly.
- If the watch is stained or infiltrated with other objects, please use a wet soft toothbrush to clean it.

1.3 Allergic person Notice

Manufacturer conducted testing about hazardous materials on watch by the internal and external certification agency, including testing of all materials contact skin, skin toxicity testing, and wearing testing.

The watch contains nickel. If your skin is very sensitive or you are allergic to the materials on the watch, please take necessary precautions.
