# PHILIPS

# Highlights

## Accredited by automotive experts

The Philips Ultinon Pro6000 Boost range has been approved for road use in several European Union countries\*, making it compliant with road-traffic regulations. As a result, Philips Ultinon Pro6000 Boost LED bulbs can safely replace traditional bulbs in a broad range of vehicles, from cars to two-wheelers, motorhomes, vans and lorries. Drive in confidence with our new Philips Ultinon Pro6000 Boost LED bulbs.

## 30% more compact design

The Philips Ultinon Pro6000 Boost H7-LED bulb features a 30% smaller footprint than its predecessor, improving mechanical fit in the narrowest headlights. This ultra-compact design makes light replacement easier for both high- and low-beam functions\*, offering drivers greater versatility and functionality. Check out our Philips Ultinon Pro6000 Boost compatibility list at [Philips.com/roadlegalLED](https://philips.com/roadlegalLED) and get the best LED replacement for your halogen bulbs!

## Unique light performance

You really can get more brightness from the same light output now. The Philips Ultinon Pro6000 Boost range features the automotive industry-exclusive Altiron TopContact LED, combined with a revolutionary architecture that ensures unique optical performance. The result is an impressive boost in brightness on the road, up to 300% more\*\*! Upgrade your headlights to peak LED automotive performance with our Philips Ultinon Pro6000 Boost bulbs.

## Exclusive light quality

Philips Ultinon Pro6000 Boost features a brilliant white light beam achieved through a unique 5800 Kelvin colour temperature. Its optimal spectrum enhances the visibility of road signs, making them more easily discernible for drivers. Philips Ultinon Pro6000 Boost bulbs are also equipped with our cutting-edge Safebeam technology, producing a glare-free beam of light guaranteed not to dazzle oncoming drivers. With Philips Ultinon Pro6000 Boost bulbs, enjoy clearer vision from exceptional lighting.

## Long-term durability

Featuring advanced AirBoost cooling technology, the Philips Ultinon Pro6000 Boost range is designed to improve heat dissipation, providing LED bulb life of up to 3000 hours. Its unique construction offers consistent, reliable performance, lasting six times longer than comparable halogen bulbs. For peace of mind, the Philips Ultinon Pro6000 Boost range has a full 5-year warranty, including a 2-year standard warranty and an additional 3 years' of extended protection\*\*\*. Benefit now from all the advantages of improved light and the assurance of long-lasting performance.

## Trust Philips know-how

With our extensive expertise in building premium automotive lighting products that prioritise safety and reliability, we excel in maintaining high-quality standards. Our range of Philips LED bulbs meets the strict requirements for electromagnetic compatibility (EMI) with vehicle systems and offers stable, professional-quality lighting. Rely on the world-renowned expertise of an automotive specialist.

# Specifications

## Marketing specifications

- Product highlight: Ultra-compact, Safebeam, Airboost
- Expected benefits: Road-legal, ultra-compact, high brightness, 2+3 years' warranty

## Product description

- Application: High Beam, Low Beam, Fog
- Base: PX26d
- Designation: LED H7 11972 U60B X2
- Designation LED Type: H7-LED
- Operating Temperature: -40 to +105°C
- Range: Ultinon Pro6000 Boost
- Technology: LED
- Type: H7
- Ingress protection rating (IP): IP54
- ECE R37 certification: No
- ECE R10 certification
- Polarity free

## Lifetime

- Life time: 3000 hours

## Light characteristics

- Lumens: 1550 lm
- Colour temperature: 5800 K

## Electrical characteristics

- Wattage: 15 W
- Voltage: 12 V

## Ordering information

- Order entry: 11972U60BX2
- Ordering code: 2563031

## Packaging Data

- EAN1: 8719018025630
- EAN3: 8719018025647
- Packaging type: X2

## Packed product information

- Length: 5 cm
- Width: 13.5 cm
- Height: 11.1 cm
- Pack Quantity: 2 pcs
- MOQ (for professionals): 12

## Outer pack information

- Length: 23.6 cm
- Width: 16.7 cm
- Height: 15 cm
- Gross weight per piece: 85.8 g

Issue date 2024-08-13

Version: 2.2.1
