LOGOS

Don't throw batteries or out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collect of garbage proposed by your city.

Ce produit doit être traité conformément à la directive Européenne 2002/96/EC dans le but d'être recyclé ou démonté pour minimiser son impact sur l'environnement. Pour davantage d'informations, veuillez contacter les autorités locales ou régionales.

Dit product moet zijn verwerkt volgens de Richtlijn nr. 2002/96/EG met het doel van de recycling ervan of moet zijn gedemonteerd op die wijze, dat zijn invloed op de omgeving de kleinst mogelijk was. Meer details wordt aan u door lokale of regionale overheid verstrekt.

Don't throw batteries or out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collect of garbage proposed by your city.

Este produto deve ser passado pelo tratamento conforme à norma 2002/96/ES para ser reciclado ou desmontado de maneira que a sua inuência seja mínima. As autoridades locais ou regionais prestam mais informações detalhadas

Questo prodotto deve essere trattato in conformità con la Direttiva 2002/96/CE allo scopo di essere riciclato o smontato per minimizzare l'impatto ambientale. Per qualsiasi ulteriore informazione, si prega di contattare le autorità locali o regionali.

Declaration of Conformity : www.chacon.com/conformity

Attention :

Veillez à ne pas avaler la pile. Ce produit contient une pile bouton. L'ingestion de la pile bouton peut occasionner des brûlures internes graves après seulement 2 heures et entraîner la mort. Tenez les piles neuves et usagées hors de portée des enfants. Si le logement de la pile ne se ferme pas correctement, cessez d'utiliser le produit et tenez-le hors de portée des enfants. Si vous suspectez que des piles ont été ingérées ou introduites dans une partie quelconque du corps, consultez immédiatement un médecin.

Attention :

If you think batteries might have been swallowed, consult a doctor immediately. Swallowing a battery can have serious consequences: internal burns within two hours, or even death. Keep new and used batteries out of the reach of children. If the battery compartment does not close properly, stop using the product and keep it out of the reach of children.

Waarschuwing:

Slik de batterij niet in. Dit product bevat een knoopcelbatterij. Als de knoopcelbatterij ingeslikt wordt, dan kan dit binnen 2 uur leiden tot ernstige inwendige brandwonden met zelfs de dood tot gevolg. Houd nieuwe en gebruikte batterijen uit de buurt van kinderen. Als het batterijvak niet goed dicht gaat, gebruik het product dan niet meer en houd het uit de buurt van kinderen. Als u vermoedt dat batterijen ingeslikt zijn of anderszins in het lichaam terecht zijn gekomen, zoek dan meteen medische hulp.

Advertencia:

No se debe ingerir la pila. Este producto contiene una pila de botón. Si la pila de botón llegara a tragarse, podría causar graves quemaduras internas en tan solo 2 horas y producir la muerte. Mantenga las pilas nuevas y usadas fuera del alcance de los niños. Si el compartimento de las pilas no se cierra de forma segura, deje de utilizar el producto y manténgalo alejado de los niños. Si piensa que las pilas pudieran haberse tragado o alojado en alguna parte del cuerpo, llame a un médico de inmediato.

Aviso:

Não ingira a pilha. Este produto contém uma pilha botão. Se a pilha botão for ingerida, pode causar várias queimaduras internas em apenas 2 horas e pode resultar em morte. Mantenha as pilhas novas e usadas afastadas das crianças. Se o compartimento das pilhas não fechar de forma segura, pare a utilização do produto e mantenha-o afastado das crianças. Se achar que as pilhas possam ter sido ingeridas ou colocadas no interior de qualquer peça do corpo, consulte imediatamente um médico.

Attenzione:

Se pensate che una pila/batteria sia stata ingerita, contattate immediatamente un medico. L'ingestione di una pila / batteria può provocare conseguenze gravi: bruciori interni o la morte entro un paio d'ore. Tenete le batterie nuove e usate fuori dalla portata dei bambini. Tenete le batterie nuove e usate fuori dalla portata dei bambini.
