This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Thank you very much for choosing this Air Hockey Table . Please read all of the instructions before using it. The information will help you achieve the best possible results.

## **SAFETY ADVICE**

### **SAFE WORKING PRACTICE**

- ▶ Always inspect the goal post and net for defects before use and replace damaged parts.
- ▶ Do not use the goal with faulty parts.
- ▶ The goal must always be secured to the ground. Weights to be used on hard surfaces.
- ▶ Never climb onto the table. Please always follow the safety instructions.
- ▶ We recommend that adults supervise the assembly and use process. Do not drop any heavy objects on the desktop.
- ▶ When dismantling the goal ensure that all fittings are packed away, and none are left on the playing surface.

### **WARNING:**

Loose pegs may cause injury. Care should be taken when using a mallet as misuse may cause injury.

**Installation:**

1. Choose a relatively flat lawn or ground.
2. Check for any missing or damaged accessories according to the above diagram.
3. Connect the product and lock the screws according to the splicing

method shown in Figure .

**WARNING!** Read and understand all instructions before using this Air Hockey Table. The operator must follow basic precautions to reduce the risk of personal injury and/or damage to the equipment.

Keep this manual for safety warnings, precautions, operating or inspection and maintenance instructions.

Please familiarize yourself with the hazard notices found in this manual. A notice is an alert that there is a possibility of property damage, injury or death if certain instructions are not followed.

**WARNING!** DO NOT let comfort or familiarity with product (gained from repeated use) replace strict adherence to the tool safety rules. If you use this tool unsafely or incorrectly, you can suffer serious personal injury.

### Assembly precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. Weight capacity and other product capabilities apply to properly and completely assembled product only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded Wine Cabinet.

## **MAINTENANCE/ Service**

Have your air hockey table repaired by qualified personnel using only the same replacement parts. This will ensure the safety of the air hockey table is maintained. A dusty, humid, or corrosive environment can cause damage to an air hockey table. To prevent malfunctions in the air hockey table, regularly clean the dust with a clean dry cleaning cloth. Please note that a lack of maintenance may result in the cancellation of the warranty period. If the air hockey table has been modified, or if you attempt to open the air hockey table without the consent of the manufacturer's authorized representative, the warranty of this wine cabinet will be invalid.

## **FCC Information:**

**CAUTION:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

**Note:** This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules, These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the

interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.
