PRUNUS J-110 radio/Bluetooth speaker/mp3 player User Manual
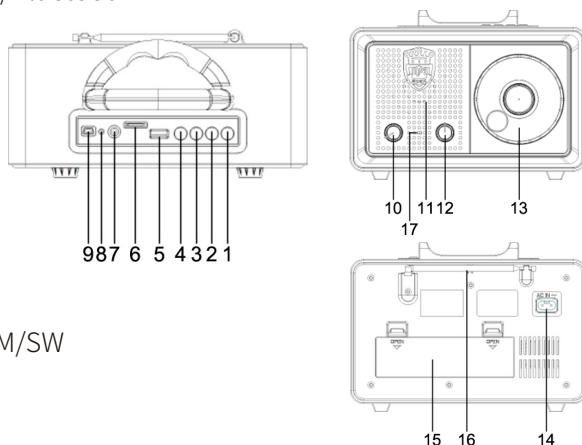

Thank you for purchasing the PRUNUS J-110 radio/Bluetooth speaker/mp3 player. In order to get the best from the radio please read this manual carefully before using it and take special notice of the section on maintenance.

■ Maintenance ■

◆Don't let the radio get wet and don't use it in a moist environment - keep it out of the rain and use carefully in bathrooms and kitchens;

◆Do not place potentially damaging objects such as liquid-filled containers or lighted candle on top of the radio. Keep the radio, and the battery pack, away from sources of heat such as radiators, hot water pipes or fires. Do not leave it in full sunlight;

◆Make sure that solvents, such as white spirit, paraffin or petrol and not spilt onto the radio;

◆Keep it away from magnets and magnetic fields;

◆Position the radio so that air can circulate around it – leave a space of 5 to 10 cm in front of and behind the radio;

◆Do not cover the radio with cloth or paper and avoid placing it on a bed where it might be covered by a blanket or duvet;

◆The radio is a sophisticated electronic device - do not attempt to disassemble it or repair it and take care not to drop it.

■ Functional component ■

1. Mode switch among USB/TF/ AUX/Bluetooth
2. Forward
3. Previous
4. Play/Pause Button
5. Flash Drive Slot
6. TF Card Slot
