Product Overview

- ① Anti-Lost ON/OFF Button ② LED Indicator ③ Foldable Stand
④ Card Holder ⑤ Type-C Output/Input ⑥ Magnetic Charging

Indicator Guide

LED On	0000	000	00	0
Power Percentage	100 %	75 %	50 %	25 %

Specifications

Model No	GL-PX47
Material	ABS+Aluminum Alloy
Battery	5000mAh
Application	iOS 'Find My'
Bluetooth	V5.3
Connecting Range	≤10 m
Tracking Range	All over the World
Type-C Input	5V/3A, 9V/2A, 12V/1.5A (PD 18W)
Type-C Output	5V/3A, 9V/2.2A, 12V/1.67A (PD 20W)
Wireless Output	5W/7.5W/10W/15W
Card Holder	2 Cards Slot
Product Weight	144.5 g
Product Dimensions	101.9*68.3*15.8 mm

Instructions

Anti-Lost Air Tracker Tags

- 1.** Power On: Press and hold the "On/Off" button of your power bank for about 2 seconds until you hear a "beep." This indicates the device is now powered on.
- 2.** Connect to the "Find My" App:
 - 2.1** Turn on Bluetooth on your iPhone and connect to the internet.
 - 2.2** Open the "Find My" app on your iPhone.
 - 2.3** Tap the "Devices" tab.
 - 2.4** Tap the "+" icon.
 - 2.5** Select "Add Other Item."

2.6 When the product appears, tap "Connect."

2.7 Enter a name for your power bank, then tap "Continue."

2.8 Choose an emoji for your power bank, then tap "Continue."

2.9 Tap "Agree" to complete the connection.

3. Card Holder Feature

The foldable stand is designed with a convenient slot that can hold up to two cards, providing easy access when needed.

4. Charging the Portable Charger

4.1 To charge the portable charger, use a certified AC adapter along with the included Type-C charging cable.

4.2 During charging, the LED indicator will flash white. Once fully charged, the indicator will stop flashing, and all four white LED lights will remain lit.

4.3 The charger supports pass-through charging, enabling you to wirelessly charge your phone while simultaneously recharging the portable charger through the Type-C port.

5. Charging Devices with a Type-C Cable

Simply connect your device using the Type-C cable. The four white LED lights will illuminate to indicate the connection. Each light represents approximately 25% of the battery's charge. As the power depletes, the lights will gradually turn off one by one.

6. Wireless Charging

6.1 The wireless charging feature activates automatically when you place a wireless charging-enabled device on the charging pad. The first LED will light up green, while the four white LEDs will display the battery level. For optimal charging, it is recommended to remove your phone case.

6.2 For iPhone 12 series and newer models equipped with built-in magnets, the device will automatically align and attach to the magnetic ring for efficient wireless charging.

6.3 Once your device is fully charged, simply remove it from the power bank. To turn off the charger, double-tap the power button.

FAQ

Q: Can I charge other devices while charging the battery pack?

A: Yes, the device supports pass-through charging, allowing you to charge other devices while the power bank is charging.

Q: Will the device easily detach from the phone?

A: No, the strong magnetic charging pad ensures a secure attachment, particularly when using a magnetic phone case or no case at all.

Q: Does it only support iPhone 16/15/14/13/12 series? Can it charge other phones?

A: Magnetic wireless charging is compatible with the iPhone 12 series and newer models. Other smartphones can be charged via the included data cable.

Q: Why does the charging speed slow down or stop before my phone is fully charged?

A: This may be due to the "Optimized Battery Charging" or "%80 Limit" settings on your device. To disable these, go to Settings > Battery > Charging Optimization and select "None."

Q: Will wireless charging work with a phone case?

A: For best results, it is recommended to remove your phone case or use Apple's official magnetic cases. Avoid cases thicker than 2.5mm or those made of metal, as they may interfere with charging.

Q: Why does the battery become warm during charging or discharging?

A: It is normal for the device to generate some heat during wireless charging. The product meets international safety standards to ensure safe usage.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
