Travel friendly

For ease of storage while travelling, swing the MIXX OX3 ear pads in towards the headband to pop them in your bag or place the headband around your neck and rotate the earpads to sit on your shoulders for your convenience.

LET'S PLAY

First Time Pairing

While the headphones are switched off, press and hold the Multi-function Button **1** until you hear the words 'Power on' and 'Bluetooth pairing'.

Go to the Bluetooth settings on your phone and select 'MIXX OX3' from the list.

Once paired, you will hear 'Connected'.

Play/Pause

Short press the Multi-function Button **1**

Volume Down/Up

Short press the < / > Buttons **3** and **4**

Previous/Skip Track

Press and hold the < / > Buttons **3** and **4** to change tracks

Answer/End Call

Short press the **1** Multi-function Button

Activate Google Assistant or Siri

Press and hold the **1** Multi-function Button for **2 seconds** to activate Siri or Google Assistant
Listen for the familiar Voice Assist 'beep' then ask a question or state a command.

Decline a Phone Call

Double press the **1** Multi-function Button for an incoming call

Re-dial Last Phone Call

Double press the **1** Multi-function Button

Power ON/OFF

Press and hold the **1** Multi-function Button

LET'S CHARGE

Connect the headphones to a suitable USB wall charger, computer USB port or a power bank using the micro USB charging cable supplied.

The OX3 will begin to charge automatically and the LED Light Indicator ② will light up RED.

Once the headphones are fully charged, the RED light ② will switch off. This can take between 1 and 2 hours.

LET'S BE SAFE

It's important that you read this section completely, especially the '**Warning, Caution and Safe Usage**' instructions.

For your protection

Ensure the product is correctly connected using the manufacturer's original accessories included.

Please keep the product out of reach from children and animals.

Do not listen to loud music for a long duration of time.

Adjust the volume to a comfortable level before listening.

Do not use headphones while operating machinery, including cars.

Do not use in areas where the use of hearing is required for safety.

Do not drop, short circuit, disassemble or continue to use this product if damaged.

IMPORTANT!

Do NOT use a non-certified PD or QC3 wall charger as this may damage the

product. Only use the cable supplied to charge your device.

NOTE:

If your product has become damaged in any way, does not operate normally or has been dropped, please refer to a qualified person to have the product checked before continuing to use it.

WARNING:

The operating temperature range for this product is 5° - 40° Celsius.

These headphones and the cable connectors are not water resistant and should not be exposed to rain, moisture, any splashing or liquid spills.

This may cause excessive heat and may lead to fire damage or personal injury.

CAUTION: This product contains a Lithium battery. Incorrect disposal of this battery may result in an explosion.

LET'S RECYCLE

This product can be recycled. 

Products bearing this symbol  must NOT be thrown away with normal household waste.

Take the product to a collection point designated for recycling of electronic devices.
Find out more about return and collection points through your local authority.
