

M1 1D Laser Wired Barcode Scanner

1. Keyboard Language

In order to let scanner upload the codes in a correct way, you have to set the keyboard language.

For example If you use French Keyboard, scan below barcode of “French keyboard”. So the scanner can be able to upload barcodes according to French keyboard layout. American Keyboard is set by default, if you use a US keyboard you can ignore this part.

American Keyboard

Italy Keyboard

Portugal Keyboard

French Keyboard

Spanish Keyboard

Germany Keyboard

Turkey Q Keyboard
