Pausing recording

By pausing recording and not recording unwanted intervals, microSD card capacity can be conserved.

1. Press  during recording.

This pauses recording.

Press  again to resume recording.

NOTE

Resuming recording will automatically add a mark at that point.

Turning the guide sound on/off with a shortcut

This function allows the guide sound to be turned on/off anytime to suit the use situation.

Turning the guide sound on/off

1. When the HOME screen is open, press and hold  .
ENTER

This turns on/off the guide sound.

Home Screen

A notification about the switch will be shown (and announced with the guide sound).
