EUROPEAN UNION – DISPOSAL INFORMATION
The symbol above means that according to local laws and regulations your product should be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. Some collection points accept products for free. The separate collection and recycling of your product at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Keep these instructions for future reference as they contain important information.

ENVIRONMENT

Operating temperature: 0°C to 40°C (32°F to 104°F) Relative humidity: 5% to 95% non-condensing. Using GoChess in very cold or high conditions might temporarily shorten battery life and could cause GoChess to temporarily stop working. GoChess to high temperature conditions such as direct sunlight or hot car interiors. Don't leave GoChess in your car, because temperatures in parked cars can exceed this range. For best results, use indoors. Never expose GoChess to water.

WARRANTY

Your purchase comes with a one-year limited warranty to Original Purchaser. The warranty covers against manufacturing defects. It does not cover abuse, alteration, theft, loss, unauthorized and/or unreasonable use, or normal "wear and tear." During the warranty period, Particula will make sole determination of a defect. If Particula determines a defect, Particula, at its sole discretion, will repair or replace the defective part or product with a comparable part. This does not affect your statutory rights. For full details, safety updates, or support, see [Particula-tech.com/warranty](https://particula-tech.com/warranty)

This Important Product Information Guide contains safety, handling, disposal, recycling, and regulatory information as well as the limited warranty for GoChess. Read all safety information and operating instructions before using GoChess to avoid injury or harm.

By using GoChess you agree to the terms and policies found at Particula-tech.com/terms including the Particula Privacy Policy.

CAUTION - ELECTRICALLY OPERATED PRODUCT: As with all electric products, precautions should be observed during handling and use to prevent electric shock.

WARNING: GoChess contain small parts, which can present a choking hazard to small children. Keep such parts away from small children.

WARNING: This product is eye-safe under all operating conditions, for use under all reasonably anticipated conditions of use.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Battery and charging

The battery charger used with the electric toy shall be regularly examined for damage to the supply cord, plug, enclosure or other parts, and in the event of damage, it shall not be used until the damage has been repaired.

* Non-rechargeable batteries are not to be recharged.

* Batteries are to be inserted with the correct polarity.

* Exhausted batteries are to be removed from the toy.

* The supply terminals are not to be short-circuited.

* Batteries are only to be charged by persons of at least 8 years old

* Different types of batteries or new and used batteries are not to be mixed.

* The toy is only to be connected to equipment bearing either of the following symbols

1

FCC Compliance: FCC ID: 2ASMEGCHSN1

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

* Reorient or relocate the receiving antenna.

* Increase the separation between the equipment and receiver.

* Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

* Consult the dealer or an experienced radio/TV technician for help.

a) frequency band(s) in which the radio equipment operates:2402-2480MHz.

b) maximum radio-frequency power transmitted in the frequency band(s) in which the radio equipment operates:<10 dBm.

WARNING: This toy produces flashes that may trigger epilepsy in sensitised individuals.

2

Declaration of Conformity IC Compliance: IC: 24826-GCHSN1

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux normes Innovation, Science et RSS (s) exempté (s) de licence par Développement économique Canada. Le fonctionnement est soumis aux deux suivants conditions: (1) Cet appareil ne doit pas causer d'interférences (2) Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable du périphérique le dispositif.

Declaration of Conformity

Hereby, Particula LLC declares that the radio equipment type GCHSN1 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:
<https://particula-tech.com/compliance>.
