Nose Trimmer

Specifications

Model No.	GL-TM53
Material	ABS
Blade	Stainless Blade
Motor	DC 180
Battery	600mAh
Power	5W
RPM Range	6800 RPM
Charging Port	Type-C
Charging Time	90 minutes
Working Time	1.5 hrs
Waterproof	IPX7
Product Weight	97g
Product Dimensions	29*31*147 mm

Preface

Read through this entire instruction manual before using the 3-in-1 Trimmer Set. We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.

Charging Guide

Charging

1. Charging: 1.5 hours
2. Input: 5V = 1A
3. Close power switch. Please insert the plug into the power socket. The indicator will flash when charging.

Head Replacements

To change attachments, hold the trimmer body with the switch side facing towards you. Turn the attachment and pull off. Position the replacement attachment at the top of the trimmer body, then push down and attach

Instructions for Use

Please charge it when there is no power. Carefully place the blade of the trimmer into your nostril to cut nose hairs.

Use the same procedure for trimming ear, sideburn, eyebrow hairs, and beard.

(A) NOSE/EAR TRIMMER

1. The Nose Trimmer is designed to remove unwanted hair from the nose or ear areas.
2. Gently approach the area to be trimmed. Never force the Nose Trimmer into nose or ear cavities as this can result in injury.
3. If you experience any pain or discomfort when using this product, STOP using it immediately.

4. Always clean the trimmer after use and use the cap to protect the Nose Trimmer head.

(B) SHAVER FOR LADIES

You can use this attachment for trimming unwanted eyebrow hair, fine facial and ear hair, or any stray body hairs.

(C) EYEBROW TRIMMER

You can use this attachment for trimming unwanted eyebrow hair, fine facial and ear hair, or any stray body hairs.

Cleaning & Maintenance

Clean your personal trimmer regularly. Please charge it when there is no power before cleaning.

Cleaning With Brush

Never expose the trimmer body to water. To maintain lubrication, use the enclosed brush to clean the unit.

Thoroughly brush and blow out hair clippings from the power handle.

Cleaning With Water

Your trimmer's attachments have rust-resistant, stainless steel cutting blades that permit the cutting attachments to be rinsed under running water if you choose. Do not wash attachments when attached to the trimmer. Always keep the blade area pointed downward when cleaning. Only after the unit has dried completely should the attachment be used.

Important Notes:

Do not use harsh or corrosive cleaners on the unit or its attachments.
Do not apply pressure or hard objects to attachments.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
