

**BOOST↑CHARGE™**

## Magnetic Portable Wireless Charger

One MagSafe-compatible wireless charger with dual functions. Use as a wireless charging pad at home, or as a power bank on the go. Recharge your iPhone 12 Pro Max, iPhone 12 Pro, iPhone 12, and iPhone 12 mini with a 10,000 mAh wireless charger. Fully leverage the iPhone 12 phone's MagSafe charging feature. Pass-through charging allows users to charge their device and the power bank together when plugged into an outlet, and an LED light lets them know when it needs recharging.

### Product Benefits

- Compatible with MagSafe.
- Perfect alignment - a magnetic seal ensures the most efficient charging with the iPhone 12 and MagSafe.
- Dual use - functions as a powerful wireless charger at home, or a convenient power bank on the go.
- 10,000 mAh of up to 10W charging power.
- Magnetic attachment and slim design make it easier for you to keep using your iPhone 12 while it's charging.
- Small and portable - convenient charging on-the-go, small, compact size makes it the ideal travel companion.
- Power flows both ways through USB-C port; charge an additional phone or other device using the same port that recharges the wireless charger.
- Pass-through charging - charge your iPhone 12 while simultaneously recharging the power bank itself when connected to a wall outlet.

### Package Includes

- Magnetic Portable Wireless Charger

### Compatibility

Works with

iPhone 12 Pro Max

iPhone 12 Pro

iPhone 12

iPhone 12 mini

### Technical Specifications

- 10,000 mAh
- 3.3 ft./1m USB-C® cable included
- Recharges via USB-C port
- USB-C port in and out

## BOOST↑CHARGE™

# Magnetic Portable Wireless Charger

### The Belkin BOOST↑CHARGE Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly into any environment to deliver fast, safe power at home, in the car, or on the go. Smart circuitry detects the connected device to deliver optimal charging while universal charging protocols, such as USB-A, Lightning connectors, and USB-C, offer widespread compatibility.

### The Belkin BOOST↑CHARGE Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to \$2,500

### The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- #1 third-party maker of wireless charging accessories\*
- MagSafe compatible
