Instructions for Installation and Care of American Landmaster LM500
Aero-Vent Polycarbonate Windshield
AL-LM500-WD05

NOTICE: Please check contents of package for any damage and make sure all parts fit correctly and you are happy with the product before removing protective film. Once the film is removed you cannot return the product for a full refund.

Be sure to read these instructions thoroughly before opening and installing the LM500 Aero-Vent Polycarbonate Windshield.

1. Check over the parts included in the cartons with the parts list shown below:

1 3/4" Loom Clamps	6 each
1" Stainless Steels Bolts	11 each
Stainless Steel Washers	15 each
Plastic Thumb Nuts	7 each
Slide Fasteners	4 each
45" Rubber Gasket	1 each
Polycarbonate Vent Slider	1 each
Polycarbonate Windshield	1 each

If any parts are damaged or missing please contact customer service at (606) 845-7439.

2. Start by pulling it out of the box and find a clean area to lay it down and install the hardware. Begin by peeling off the protective film. Next take the 45" piece of rubber gasket and starting at one end firmly place across the bottom of the windshield. You may need to trim off excess gasket. The diagram below shows where to install the gasket.

3. Next install the sliding vent panels on the inside of the windshield as shown in the diagram below. To install slide fasteners, push through holes with thumbs until it is completely through the hole in the windshield and locked in place.

4. Now the Windshield is ready to be installed. With the help of a friend, place the Windshield on the LM500, setting it up onto the hood.

5. Take the remaining hardware and install the windshield to the roll cage as shown in the diagram below.

6. Now you are ready to take it out and enjoy. To clean the windshield, always clean using a liquid of some sort to decrease the chance of scratches. We recommend using micro fiber cloths that are readily available at any dollar store. Any window cleaner will work fine; just remember to use a soft clean rag or micro-fiber cloth to clean it.
