4 Rapid 40'  50°	-	-	✓	0:40	8.0	0.9
5 Half Load  50°	✓	-	✓	1:15	11.0	0.9

### Starting the dishwasher

- Load the dishwasher
- Check that the upper and lower arms can rotate freely
- Add the detergent.
- Press the On/Off button to switch on the appliance.
- Select the required programme
- Start the programme by pressing the START/ Pause button and closing the door.
- The end of the programme is indicated by beeps and the flashing indicator light of the selected programme. Open the door and switch off the appliance by pressing the ON/OFF button.

Warning! Do not open the dishwasher door whilst the appliance is in operation.

### Unloading the dishwasher

Care must be taken when opening the door as hot steam will escape. Please allow 15-30 minutes before unloading the dishwasher so the dishes can cool. Unload the lower rack first, then the upper rack.
