

ATTACHMENTS AND ACCESSORIES

- TWIN BAGGER Attaches easily and is great for cleaning up grass clippings and leaves (ZX4800 and ZX5400 only).
- RECYCLER KIT Optional recycler kit cuts and re-cuts clippings into fine particles and redirects them back into the turf for a healthy looking lawn (Standard on ZX4820 (74920) and ZX5420 (74924)).
- HEADLIGHT KIT Gives you the option to mow your grass in low light conditions
- SUN SHADE Helps protect your skin and eyes from the harsh summer rays.

We reserve the right to improve our products and make changes in the specifications, designs and standard equipment without notice and without incurring obligation. Products depicted in this brochure are for demonstration purposes only. Actual products offered for sale may vary in design, required attachments and safety features. See dealer for full details.

To ensure your buying satisfaction is all it's meant to be, a global family of Toro Lawn equipment experts stands ready to back one of the most solid warranties in the industry. That's our promise. **Count on it.**

Protect Your Investment. Maintain your machine with genuine Toro parts to ensure many years of reliable operation.

3-Year/240 Hour Limited Warranty. The TITAN ZX is warranted against defects in materials and workmanship for 3 years/240 hours.

Service Where You Need It. An exclusive network of servicing dealers of our riding mowers makes any necessary repair quick and convenient.

Know Your Lawn. Know Your Equipment. Always make sure you and all operators read the Operator's Manual before using the equipment. Pay close attention to all safety and operating decals.

Products depicted on this sell sheet are for demonstration purposes only. Actual products offered for sale may vary in use, design, required attachments and safety features. Many of the products you will find in certified Toro dealers' stores come with a warranty or guarantee from The Toro Company. In addition, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Full details of your consumer rights may be found at www.consumerlaw.gov.au

- Bagger
- Hitch Kit
- Light Kit
- Striping kit (48" and 54")
- Step Kit
- Recycler® Kit (optional 60")
- Sunshade
- Leaf Bagging Enhancement Kit (48" and 54")
- Deluxe Z Cover
- Transport Seat Strap Kit
- Tow-Behind Dump Cart

USER-FRIENDLY FEATURES

CUSTOMIZABLE COMFORT
The contoured 18" extra tall seat features an adjustable 4" seat slide, seat spring suspension, and armrests as well as six-way adjustable control levers.

EFFORTLESS MAINTENANCE
Effortlessly maintain your mower with easy to use features such as quick, no tools deck removal, two deck washout ports, maintenance free deck spindles and engine oil drain hose.

3 YEAR 240 HOUR LIMITED WARRANTY

LIFETIME FRAME LIMITED WARRANTY

WARRANTIES
Sturdy performance season after season – backed by one of the best warranties in the business. Ask your dealer about warranty details.

TITAN®

The TITAN® combines features from our commercial line of Zero Turn Mowers with the user-friendly features of our residential Zero Turn Mowers creating a pro-inspired, commercial-like machine that's easy to use and comfortable to operate.

- Pro-Inspired Features:**
- Tubular Commercial-Grade Frame
 - Heavy Duty Decks Up To 60" Wide
 - Premium Transmissions & Twin Cylinder Engines
- User-Friendly Features:**
- Customizable Comfort
 - Effortless maintenance
 - Comprehensive Warranties

TORO TOUCH Durability is our middle name. Formidable features include a fully welded, reinforced cutting deck, heavy-duty tubular steel frame, maintenance-free caster wheel assembly and rugged engine compartment.

MAXIMUM MOMENTUM New, 4" deep deck and silled-edge blades create a powerful vacuum, lifting and suspending clippings until they are re-cut into finer particles. The 3-blade design enhances dispersion and eliminates clumping.

CONTROLS Twin independent ZT2800 hydrostatic drives with integrated charge pumps allow precise, multi-directional cutting control while hydraulic dampers eliminate “jerky” operation and arm fatigue typical of spring-return designs. And like all things Toro, you can count on them to last.

POWER TRIP Intelligent distribution of horsepower is a Toro trademark. We marry high-output, low-maintenance KAWASAKI twin cylinder engines with specific TITAN ZX configurations to deliver peak performance and speeds up to 11.3km/h. And cast iron cylinder liners, full-pressure lubrication with engine oil filter and efficient OHV designs mean the joyride won’t be ending anytime soon.

HARDCORE COMFORT With our premium comfort package, you’ll want to mow all day. The low centre of gravity creates added stability. A forgiving 18" high back seat with three shock absorbing springs, adjustable armrests and ergonomically inspires control levers put you comfortably in control. Even the cup holder is designed around you.

PUT YOUR FOOT DOWN The foot-operated height of cut adjustment feature frees your hands for more important work. It allows you to raise the deck while in-use or reset the cutting height for a more precise cut.
