To use this table:

1. Find your specific vehicle.
 2. After the correct vehicle is found, go to the top of that column to find the correct chassis.
 3. Use that number to find the correct chassis in the vehicle compatibility table at www.raintracker.com
 4. Click on the instructions for that particular chassis. These are the correct instructions for you vehicle.
- Factory documentation can often be wrong, always use a multimeter to check for correct wire operation.
- NOTE: INC means that the Rain Tracker is not compatible with that particular model.
