FEATURES & BENEFITS

ACTIVSMART™ FOODCARE

Every time you open your refrigerator, the temperature around your food changes. ActiveSmart™ foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.

FLEXIBLE STORAGE

Adjustable shelves and door storage give you plenty of room to stack and pack all your groceries. Storage bins give you full access inside when they're pulled open and can be easily removed to clean.

DESIGN QUALITY

Our refrigerators are designed and built using quality materials. We use real stainless steel on our refrigerators and solid glass for shelving.

WATER ON TAP

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage space in your refrigerator.

ICE MAKER

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or boost ice production by up to 30% during busy times.

EASY CLEANING

No more permanent dirty marks with our EZKleen feature for

stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

EASY TO USE

The SmartTouch control panel has been designed to be intuitive for ease of use and is conveniently placed near the front of the fridge.
