Press kit | Launching January 2025

**New products.
New ways to refresh at home.
Ways to make old furniture feel new.
Even new food to put on your plate.**

What's new is up to you!

Hej! It's good to see you again. As you might have guessed, this PR package is an introduction to all the new things that come to IKEA in January 2025. But it's not just a big bowl of new products. It's also new ideas on how to refresh my home on a tight budget. And ways to care and repair your furniture. There's even a pinch of food products that offer new perspectives on what we put on our plates. That depth and width is the reason for our mantra right now. What's new is up to you. Enjoy.

“What inspires me the most are colours! You can make them harmonize or make them pop! Sometimes you find a lovely mix where all tones are like best friends. That’s how I felt about the colours for the JAN25 textile collection.”

Johanna Skånmyr, **Designer**

Designed to kickstart spring

Harmony in a flat pack

Without going into details, the bedroom has many jobs to fulfill. But most people would probably agree that the big one is to create comfort and calm and to help you recharge. Right now, spring is just around the corner. We celebrate that by launching a wide range of colourful, playful and beautiful new bedroom products.
