

Routing Instructions

December, 2024

GALLS is committed to continuous excellence and realizes our suppliers are crucial to that commitment. To better manage our company's inbound shipments, we have partnered with FedEx® as our primary carrier for our **Less-than-Truckload (LTL) shipments**. These routing instructions are to be followed when GALLS is responsible for paying transportation charges and supersede previous instructions.

Shipments that are over the LTL guidelines provided below, please contact:

GallsInbounddelivery@galls.com. Our team will then provide the necessary shipment information and arrangements.

You MAY USE YOUR OWN BILL OF LADING OR YOU CAN CREATE AN ONLINE ACCOUNT. You must have your own FedEx® account number to process shipments ONLINE and to schedule pick-ups. If you don't already have an account, call FedEx Customer Support 1.800.GoFedEx (1.800.463.3339) for new account setup.

The preferred method to process our shipments is electronically on fedex.com. If that is not possible, please make sure that your shipping department understands how to fully complete the LTL Bill of Lading including our account number. Please find instructions below that are required to process the shipment electronically or to complete a manual Bill of Lading when shipping to our locations.

Quick Shipping Guide

Compliance Guidelines

All shipments and invoices will be monitored for compliance to these terms. Use of any other carrier may result in a chargeback to your company for the shipping charges. Each supplier is responsible for forwarding this transportation directive to their Logistics Department and/or all individuals responsible for shipping to or on behalf of **GALLS**

Account Confidentiality

FedEx account numbers are confidential and should only be communicated for the limited purpose of preparing FedEx shipments under these routing instructions. DO NOT post this information online or make it generally available beyond what is required for your company to follow these instructions.

FedEx Pickup

For LTL pickups, a same day pick up is available if before cut-off time; to learn more about cut-off times or to schedule a pick-up call 1.866.393.4585. You may also schedule a pickup online <https://www.fedex.com/en-us/shipping/freight/ltl.html>.

GALLS Support

If you have any questions specific to this communication, please contact your GALLS Supply Planner as indicated on the purchase order.

To reiterate FedEx is Galls primary provider for less than truckload (LTL) shipments. LTL shipments must comply with FedEx Capacity Load rule. For palletized shipments measuring outside FedEx Capacity Load Rule, please contact Galls Inbound team with shipment specifics and to obtain shipment information and arrangements.

GallsInbounddelivery@galls.com

We value you as a supplier and trust this process will only enhance our working relationship.

Thank you for your cooperation and support.

Best Regards,
GALLS
