At Vauxhall, we believe great cars are for everyone.

We believe technology works best when it’s not just smart but is also simple and intuitive. Where everyone can feel the instant excitement of electric; can keep themselves and their loved ones safer on the road; and can stay connected to the things that matter most, simply and easily. We call it Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Our latest Corsa Price and Spec guide outlines the Pure Technology features model by model. Together with all the essential information you need to compare Prices, Technical Information and Specification plus details of our commitment to offer the best in Customer Care.

We’re delighted you’re considering the purchase of a Corsa and hope this guide will help you make the right choice.

#YES

16-inch alloy wheel (standard on electric models)

#YES

Design

YES

GS

Ultimate

Standard features include:

PureSense

- Intelli-LED headlights
- LED daytime running lights
- High beam assist
- Electronic parking brake
- Lane departure warning with lane keep assist
- Speed sign recognition
- Hill start assist
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency braking with pedestrian detection
- Cruise control with intelligent speed limiter
- Six airbags
- Rear parking distance sensors

PureConnect†

- Multimedia infotainment system
 - 10-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Wireless Apple CarPlay/Android Auto™
 - USB connection
- Vauxhall Connect
- 3.5-inch digital colour instrument cluster (Petrol only)
- 7-inch digital colour instrument cluster
- Six speakers

Comfort and convenience

- Air conditioning (Petrol only)
- Electronic climate control (Electric only)
- Flat-bottomed leather-effect steering wheel
- 60/40 split-folding rear seats
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Electrically operated front and rear windows
- Paddle shift (auto Petrol models only)
- Remote control central locking
- Emergency tyre inflation kit (in lieu of spare wheel)

Interior

- Red banda fabric seat trim inserts
- Silent black fascia with #YES special edition white insert
- Sports-style front seats
- Driver's seat (six-way adjustable)
 - Height (up/down)
 - Reach (fore/aft)
 - Backrest (upright/recline)
- Front passenger's seat (four-way adjustable)
 - Reach (fore/aft)
 - Backrest (upright/recline)

Styling

- Black Griffin logo
- Black vizor frame
- 16-inch black alloy wheels with 195/55 R 16 tyres
- Black lower side window trim
- Black roof
- Available paints: Record Red, Carbon Black, Graphic Grey and Arctic White

*Corsa #YES has undergone a naming adjustment from previously documented 'YES' to '#YES'. Please note there are no specification changes to this trim as a result of this change, current or previous. For more details, contact your local Vauxhall retailer.

CORSA #YES MODELS ARE CURRENTLY CLOSED FOR ORDERING AND ARE AVAILABLE FROM STOCK ONLY

WLTP combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

#Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Specifications

Transmissions

Six-speed manual gearbox

Petrol engine: 1.2 (100PS) Turbo

Eight-speed automatic transmission

Petrol engines: 1.2 (100PS) Turbo

This transmission enables increased drive comfort with improved fuel economy and features a manual shifting mode. For a more engaging drive, the driver can select gears using the shift paddles located on the steering wheel.

Drive mode selector (auto-only)

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drive mode selector (manual-only)

- **Sport:** available with the six-speed manual transmission featuring sound enhancement as well as a more responsive throttle and steering wheel

Hybrid e-DCT6 auto

1.2-litre petrol engine paired with a new six-speed dual clutch automatic transmission and a 28hp electric motor.

Permanent magnet synchronous electric motor is integrated into the gearbox and produces peak power of 21kW (28hp) and maximum torque of 55Nm.

During deceleration from higher constant speeds, the petrol engine stops and the e-motor acts as a generator to recharge the hybrid system’s 48v battery.

Under low torque requirements the e-motor allows short distances to be driven on electric power alone (e.g. when manoeuvring or under 18mph in city traffic). It also assists the petrol engine under acceleration, such as when driving from standstill.

Steering

- Speed-sensitive power-assisted steering

Brakes

- Electronic Stability Programme (ESP)
- Traction control
- Drag torque control
- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

1.2 (100PS) Design/GS

- Front ventilated discs: 381mm diameter
- Rear drums: 203mm diameter

1.2 (100PS) Design/GS/Ultimate (auto only)

- Front ventilated discs: 381mm diameter
- Rear discs: 356mm diameter

Fuel tank capacity

- 45 litres

Exterior dimensions – mm (inches)	Corsa	Corsa Electric

Maximum height	574 (22.5)	574 (22.5)
Luggage capacities – Litres (cu.ft.)	Corsa	Corsa Electric
Rear seats up (under luggage compartment cover)	309 (10.9)	267 (9.4)
Rear seats folded (to roof)	1118 (39.4)	1081 (38.1)
Weights and towing data – kg	Gross vehicle weight	Maximum towing weights. Trailer with brakes (without brakes)
1.2 (100PS) Turbo	1620	1200 (580)
1.2 (100PS) Turbo auto	1645	1200 (610)
1.2 (100PS) Turbo Hybrid e-DCT6 auto	1690	1200 (423)
1.2 (136PS) Turbo Hybrid e-DCT6 auto	1690	1200 (423)

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

PureConnect

Multimedia – #YES/Design/YES/GS Petrol
Features

- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio
- Six speakers

Media connections

- USB connection (Type C)
- Bluetooth® audio streaming

Mobile phone portal

- Bluetooth® connectivity

Smartphone interface

- Apple CarPlay and Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel-mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi – GS Electric/Ultimate
Features over Multimedia

- Predictive satellite navigation system
- Connected navigation via Vauxhall Connect
- 3D street level mapping
- European coverage
- Points-of-interest search
- Over-the-air map updates
- Wireless charger for mobile devices
- Front USB (Type C) and rear USB (Type C/charge only) connections
- Voice recognition
- Shark fin aerial

Driver information

Driver information display
(centrally located in instrument cluster)

- Service-due indicator
- Deflation detection system

Multi-function trip computer
(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central fascia display
(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

PureEnergy – Electric

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park • Reverse • Neutral • Drive
- Braking (for increased regenerative braking)

Drive mode selector

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Charging

Corsa Electric is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard. Additional charging accessories are available at extra cost. For more details please consult your local Retailer.

The charging flap’s Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or by using the infotainment system.

Drivetrain – Electric	50kWh	51kWh
CO ₂ emissions	0g/km

Charging cables	11kW on-board charger
Mode 3, 3-phase 22kW cable	Standard
Mode 2, emergency charging cable	Optional accessory £584

The Corsa Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*WLTP preliminary. **5 hours (50kWh)/5 hour 15 minutes (51kWh).

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

Vauxhall Connect

Safety

The more you know, the safer your journey – that’s why our smart tech and connected services keep you constantly updated on what’s going on inside and outside your vehicle.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)

e-Remote control

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle’s cabin temperature before you get in.

Convenience

- E-remote control (Electric only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

Live navigation plus†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts

Maintenance

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

Download
MyVauxhall now!

Explore MyVauxhall

Ready to make life easier? Meet MyVauxhall – your one-stop shop for everything Vauxhall. Plan journeys from the comfort of your armchair. View your next scheduled service, book a vehicle repair, access your handbook and much more!

Also if you drive an electric vehicle or plug-in hybrid, you’ll love our e-Remote Control app feature. Use it to pre-condition your cabin temperature before journeys – and maximise your charge. Or pre-schedule charging times at night, and benefit from cheaper electricity.

For more information visit vauxhall.co.uk/discover/myvauxhall.html

*Subject to subscription – after you have taken delivery of your vehicle, please subscribe on: connect.vauxhall.co.uk **via MyVauxhall App. †Standard on models with Satellite Navigation only. Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

Company car driver and fleet information

Benefit in kind company car taxation*

The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO ₂	
On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2024 – 25 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

To calculate your own personal liability, click the link [Vauxhall BiK Tool](#)

CO ₂ (g/km)	Electric range (miles)	% 2024 – 25 tax year
0	–	2%
1 – 50	130+	2%

120 – 124	–	29%
125 – 129	–	30%
130 – 134	–	31%
135 – 139	–	32%
140 – 144	–	33%
145 – 149	–	34%
150 – 154	–	35%
155 – 159	–	36%
160+	–	37%

Vehicle Excise Duty†

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £410 is payable for five years after registration.

VED Band	CO ₂ (g/km)	First year rate Petrol/ Diesel	First year rate Hybrid/ Electric
A	0	£0	£0
B	1 – 50	£10	£0
C	51 – 75	£30	£20
D	76 – 90	£135	£125
E	91 – 100	£175	£165
F	101 – 110	£195	£185
G	111 – 130	£220	£210
H	131 – 150	£270	£260
I	151 – 170	£680	£670
J	171 – 190	£1,095	£1,085
K	191 – 225	£1,650	£1,640
L	226 – 255	£2,340	£2,330
M	Over 255	£2,745	£2,735

Further information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months’ Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation

- Vauxhall Assistance for 12 months from first registration
 - Six years’ body panel anti-perforation warranty
- Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

Leasys UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile. Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, [Leasys](#) lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation.
