MY LATTE ART

The perfect milk system to create creamy and delicious latte art beverages. Microfoam texture and temperature are the two elements that, when combined, play an essential role in achieving the desired result.

HIGH PERFORMANCE

The unique Thermoblock Technology brings and the water at the ideal brewing temperature to make perfect coffee beverages in just 40 seconds and thanks to the Self-priming System, the machine is always ready for use. The machine uses 15 bar pressure for gentle extraction.

..AND EVEN MORE STYLE

Shiny metal, matt finishing touches and the embossed logo on drip tray give even more style to the unique DedicA design
