

WKB-7500CB

WKB-7500CB-W

WKB-7500CB-P

This wireless ergonomic keyboard and mouse combo features responsive scissor-switch keys for a comfortable, quiet typing experience and a precision mouse for smooth navigation—perfect for productivity and extended use.

■ CoPilot Ai Hotkey

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

■ 2.4GHz Wireless Connection

Our cutting-edge USB-A Receiver Wireless Connection for the Keyboard - the epitome of seamless connectivity and versatile functionality. Designed to enhance your computing experience.

■ Slim, Quiet and Fast Scissor Switch Keys

The scissor-switch keys not only offer a faster, quieter and more responsive typing experience, but also provides comfort, speed and better tactile feel.

■ Multi OS Layout

Our keyboard's multi-OS layout feature is designed for versatility, catering to users across various operating systems. With the ability to seamlessly switch between layouts for different operating systems such as Windows and MacOS

■ Ergonomic Design

The ergonomic design of this keyboard and mouse combo promotes natural hand positioning, reducing strain and fatigue during extended use. The keyboard features a split layout and curved keyframe to support a more relaxed wrist angle, while the contoured mouse fits comfortably in your palm, encouraging a neutral grip for smoother movement and improved comfort.
