

STANLEY® Hand Tools (STA054127)

# Fibreglass Club Hammer 1.25kg (2.3/4 lb)

Stanley Club Hammer with a fibreglass core for greater strength and longer durability. The shaft is covered by an ergonomic anti-slip bi-material handle. It has a drop-forged alloy steel head with polished faces and chamfered edges. The head and handle have a reinforced connection held by a 2-component epoxy resin adhesive.
