

APPROVED ACCESSORIES CATALOGUE

NISSAN Assured

More than a promise

This brochure is designed to assist you in informing customers about the **accessory** options available to them, advise them on features that will enhance and personalise their Nissan vehicle, and help you to sell the customer the accessories that reflect themselves, their personalities, their lifestyles, and more importantly, to enhance the styling and versatile capabilities of their Nissan.

Fitting Nissan Approved Accessories is a way for customers to really make their Nissan their own, and for you to add significant revenue to the dealership and your own income. The key though, is customer satisfaction, and this brochure will help you to achieve that.

A COMPREHENSIVE AFTERSALES PRODUCT OFFERING.

The Nissan Assurance Programme has been developed to provide a fuss-free ownership experience. The customer programme includes making vehicle ownership as easy as possible to understand and is available to Nissan drivers at all times and offering the best possible experience when customers book their Nissan for a Service or Repairs.

NISSAN APPROVED ACCESSORIES FITMENT INSTRUCTIONS

Nissan offers a range of accessories to help personalise and enhance Nissan vehicles. To make sure each accessory is fitted correctly we have placed fitting instructions on the dealer portal to provide technical background information needed for carrying out professional fitments.

The location is: **Nissan 4U → NSA Dealers → Aftersales → Accessories Technical**

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that’s safer, more sustainable, and exciting.
