MAGICMOUNT™

OVER 6 MILLION SOLD!

#1
MOUNT
BRAND

MagicMount™ is the multi-award winning magnetic mounting system for conveniently, quickly and securely mounting your smartphone, tablet and more to a wide variety of surfaces. MagicMount is 100% safe for devices.

How it Works:

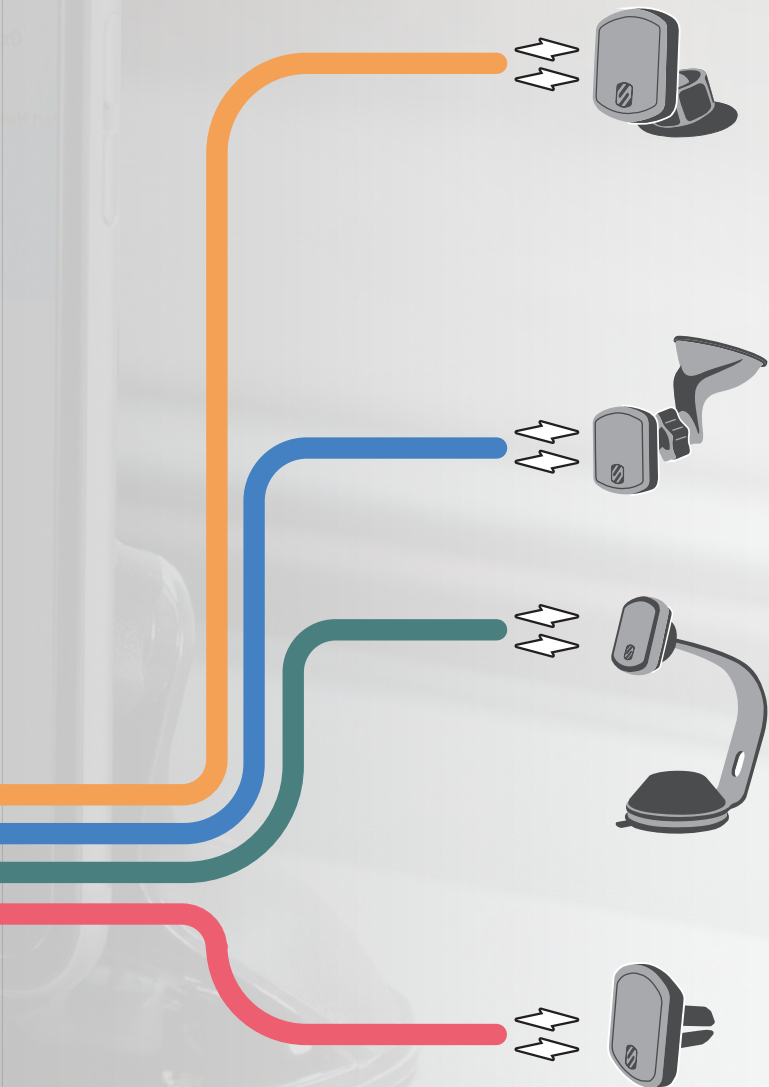

Install MagicPlate™ onto your device ...

Directly to Your Device or Between Your Case and Phone.

Works with      

*Source: The NPD group/retail tracking service, units and dollars, 2017, total mounting kits.

 **SCOSCHE™**

...Use with any MagicMount™, anywhere.
Currently Over 50 MagicMount Applications and Growing!

CAR

This is the place where it all began. The MagicMount system helps ensure you keep your hands on the wheel and your eyes on the road with an amazing selection of mounts for cars. Choose from a variety of versatile mounts for window, dash, vent, or CD slot; some with additional features like USB ports for charging your devices as you drive. There are even headrest mounts to keep your backseat passengers entertained on the road! Want your MagicMount to color-coordinate with your phone, tablet or vehicle's interior? Check out the MagicMount Pro series with interchangeable trim rings.
