# Compatibility Table

MSG200

Smart Garage Door Opener

(Updated on Jul 2nd, 2021)

Please refer to **Compatibility Table** below to find your garage door opener's brand and model.

2. If point 1 fails, but your garage opener is from Chamberlain/LiftMaster/Craftman, MSG200 will still work(needs an extra accessory). Please send us the learn button color of your garage opener, we can ship the proper accessory for you along with the MSG200 .

Support 5 Different Learn Buttons

## Compatibility Table

(Help us to make this table more accurate. If you find any fault in this table, please contact us at [https://meross.com/support/Email\\_Support](https://meross.com/support/Email_Support) we will correct it timely.)

### NEED ACCESSORY

*This remark means MSG200 can not work directly with your opener, [you need to contact us with your opener brand&model and learn button color](#), then we will ship proper accessory for you.*

| Manufacturer | Model          |
