CF Express Type B Multi Card Reader with Hub (R1022CGY)

Supports CF express Type B, SD 4.0, MicroSD 3.0, USB-A Hub

Description:

Ideal for photographers, videographers, designers and other professional users. UNITEK CF Express Type B Multi Card Reader supports a variety of latest memory cards including CF Express Type B, SD 4.0, and Micro SD 3.0 (TF).

Product Features:

- **Supports CF Express Type-B:** It supports latest CF-Express Type B memory card and can sit the needs for professionals such as filmmakers, photographers & content creators.
- **Supports 10G USB-A:** Build in 10G USB port, convenience to fast copy the HD video and photo from CF card directly to USB flash drive.
- **High Speed SD 4.0:** Supports the latest SD 4.0 UHS-II memory cards and can transfer data at high speeds of up to 312MB/s. 3 times faster than ordinary USH-I card readers.
- **Dual Card Simultaneous Read/ Write:** Efficiently manage multiple cards with dual-slot capability, enabling simultaneous reading/ writing.
- **Efficient Heat Dissipation:** The aluminum housing helps to dissipate heat during operation, ensuring product durability and stability on performance.
- **Plug and Play:** Simply connect the card ready and it is ready to use. No driver is needed.
