

ADAPTO 62

2.4A Adapter with Single USB Port

ULTRA PORTABLE SINGLE USB PORT CHARGER

MRP: 399.00

USB Charger : The Adapto 62 is essentially a 2.4 A wall Adaptor, that lets you charge all your USB devices with a single adaptor, to avoid the hassle of carrying multiple chargers. The adaptor also comes with a 1M micro USB charging cable, compatible with most devices as well.

Intelligent Protection : The adaptor comes with intelligent protection, which prevents overcurrent, overvoltage, overheating, and keeps the device temperature controlled. It also automatically stops charging, when the device is fully charged.

Lightweight & Portable : Like all Portronics products, the Adapto 62 is also extremely portable, and lightweight. It is a wonderful travel accessory to save you from the hassle of carrying multiple adaptors.

Wide Compatibility: The adaptor connects seamlessly with all main Indian switches, and supports all 5V Devices. With a 100V-280V, 50Hz AC Input Voltage, it automatically adjusts to all voltages and frequencies.
