

Important!
Do not touch screens.

Don't touch screens. Do touch screens.

What's in the box:
Smart TV, power cable, wheels, and TV feet (if applicable).
Accessory type and quantity may vary depending on the model.

What you need:
Phillips screwdriver, Ethernet and HDMI connection, and Vizio Mobile app.
(Tools not included)

Wall-mounting your TV?
Check for local mounting code and wall mount specifications.
Wall mount kit not included.

1 TV stand setup

Support the TV from behind and lay it on a padded surface. Insert the TV feet as depicted in the image below.

TV feet are easy to remove and install.

2 TV remote

Insert two AAA batteries into the remote control.
(Batteries not included)

NOTE: The remote control may vary by model. The buttons on the remote control may have a different name or location than the remote control shows in this manual.

3 Connect

Connect the TV power cable to a wall outlet. Plug the HDMI cable into the TV's HDMI port.

NOTES:
The cables mentioned in this manual are not supplied with your unit.
The actual number of ports and their locations may vary depending on the model.

4 On-screen setup

Follow the on-screen instructions to complete your TV setup and enable.

NOTE: The actual descriptions of control panel and their locations may vary depending on the model.
