

Microsoft Lumia 535 - Factory Reset, Screen Lock Removal

Microsoft Lumia 535 - Factory Reset

Written By: ZFix

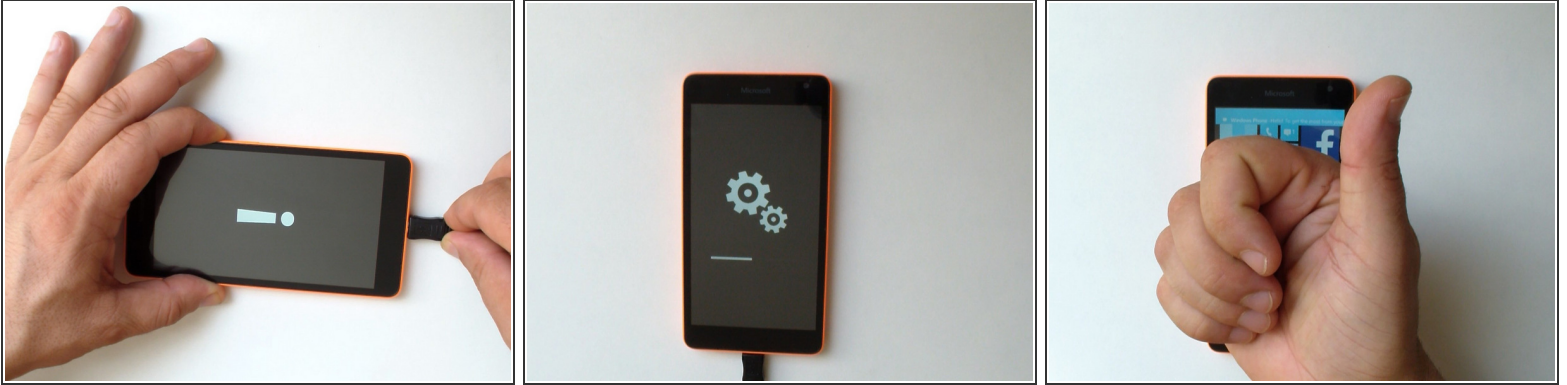

INTRODUCTION

- Hard Reset / Factory Reset / Master Reset: Delete all customer data (phone book, downloads, accounts, etc.) remove all installed apps and restore the phone to its factory state.
- This will help you if you forgot your Screen Password Lock, PIN or if you have a problem with the OS or installed app.

Step 1 — Microsoft Lumia 535 - Factory Reset, Screen Lock Removal

- Switch off the phone.
- Press and hold the Volume Down button and connect your charger. When you see an exclamation mark release the button.
- Now press the keys in this sequence:
 - Volume Up
 - Volume Down
 - Power
 - Volume Down
- The phone will reset and reboots.

Your device is now reset!
