WARNING

Power Outlet Installation Instructions:

- Please ensure that the chosen power outlet has been properly grounded in accordance with the relevant protocols.
- The power cord should have a length of 1.5 meters. The location of the power outlet should be in close proximity to facilitate the installation and disassembly of this product, while also maintaining a safe distance from the bathtub area.
- It is strongly recommended to select a waterproof-type outlet. Avoid utilizing extension cords to connect the product. Failure to adhere to these instructions could potentially result in fire hazards or electrical shock.
