

Specifications

Description

Adcraft's hot dog steamer will steam your hot dogs and buns to perfection every time! The body and lids are constructed of stainless steel and comes with tempered front and rear glass for showcasing. This unit fits 100 standard size hot dogs and 36-48 buns. Steam all day with a 8 quart capacity water pan and adjustable thermostat. The top loading design allows for quick and easy access to the contents. Comes equipped with a front valve drain for easy refilling and disposing of water. 120V, 1300W, 10.8 amps and a NEMA 5-15 plug. This item is backed by Adcraft's 1 year replace or repair warranty.

Construction

- Body and lids are constructed of heavy duty stainless steel
- Full view tempered glass on both the operator's and customer's side for merchandising
- Separate hot dog and bun compartment allows the user to control the level of steaming on each side
- Top loading design allows for easy and safe access to your hot dogs and buns

Capacity

- Steams and cooks up to 100 standard sized hot dogs at one time
- The bun compartment can hold 36-48 standard sized buns
- Water pan holds up to 8 quarts of water for all day steaming

Operation

- Heating system can cook the hot dogs in 20 minutes
- Temperature range of 85°F-175°F
- Humidity control system in bun compartment keeps buns fresh while your hot dogs steam

Electrical

- 120V, 1300W, 10.8 Amps
- 6' power cord with NEMA 5-15 plug

Features

- Bright and attractive graphics on both sides help get impulse buys
- Front drain and plug for easy disposal of water
- Bakelite knobs on top of the lids for safe opening
- Lighted power switch
- Non-skid feet for stability
