

Alaska Guide Creations - Warranty, Return, and Exchange Form

At Alaska Guide Creations, we are proudly made in the USA and stand behind our products and service.

The Alaska Tough Warranty Program works as follows:

1. You ship us the product in question along with the completed warranty form. No warranty requests will be accepted that are not accompanied by a completed warranty form.
2. Upon receipt of the item, we will evaluate it for workmanship issues, normal wear and tear, and compare that to the purchase date of the product. After evaluation, the determination of whether the item will be repaired or replaced will be made at the sole discretion of AGC.
3. In the event that it is determined the item has exceeded its useful life, a code for partial credit towards a future purchase from AGC will be issued. If this is the determination made by AGC, there will not be the option for the damage pack to be returned.
4. This warranty covers all AGC Binopacks, Holsters, In-Line Accessory Adapters, Rangefinder Pouches, and Backpacks.
5. By sending an item in through the Warranty Program, the customer agrees to proceed with any determination made by AGC.

Our commitment to our customers is that we work with them through any issues they encounter reasonably and strive give them a positive customer experience.
